Notice of Location of Mining Claim
(QUARTZ)

Notice is hereby given that the undersigned ISMAEL NICOLAY

having complied with the requirements of the Revised Statutes of the United States, and with all the local laws, customs and regulations, have this 9th day of Oct., 19 83 located a claim and by these presents do Re locate a claim by right of discovery and location, 1500 linear feet horizontal measurement on and along _____ lode, vein, ledge or deposit, along the vein thereof, with all dips, angles and variations as allowed by law, together with 300 feet on the S side and 300 feet on the N side of the middle of said vein at the surface so far as can be determined from present developments, and all veins, lodes, ledges or deposits and surface ground within the lines of said claim, 50 linear feet, running W from this discovery post and 1450 feet running E from this discovery post, said discovery post being situated upon said lode, vein or deposit and within the lines of said claim in McCoy Creek mining district, SKAMANIA County, State of Washington, which claim is more particularly described as follows:

Commencing at this discovery post being the center of the vein, and upon which this notice is posted thence 50 feet W to a post marked W center end; thence
300 feet N to a post marked NW corner; thence
1500 feet E to a post marked NE corner; thence
_____ feet _____ to a post marked _____ center end; thence
600 feet S to a post marked SE corner; thence
1500 feet W to a post marked SW corner; thence
300 feet N to W center end.

Discovery post is situated in Sec. TION, R8E, about 10,500' SW of Juniper Peak

and is designated and known as Rocky #38

Discovered Oct. 9 19 83 Located Oct. 9, 19 83

WITNESSES:

Locator

NOTICE — This notice should be posted at each center end and each corner of the claim and a copy thereof must be recorded.

Describe the claim accurately with reference to some natural object or permanent monument, and if on surveyed land according to government survey, and mark the boundaries on the ground so they may be readily traced.

Lode locations may include fifteen hundred feet on the course of the ledge, together with three hundred feet on each side of the middle of the vein.

Witnesses are not necessary, but advisable. Fill out all blanks with ink or indelible pencil.
