## Notice of Appropriation

Notice is hereby given that the undersigned desiring to avail himself of the rights and privileges provided in Chapter I and II of Title XXII Ballinger's Annotated Code and Statutes of Washington does hereby appropriate the water body and flowing in and from that stream or creek named and commonly known as "Big Duck Creek" to the amount of Five Cubic Feet per second of time. Which claim the undersigned does make for himself his heirs, executors and assigns. The water hereby appropriated to be taken from said stream at or near a place three and one half miles in a North westerly direction from mouth of said Big Duck Creek or where said stream empties into the White Salmon River as surveyed land in Skamania County, State of Washington following the meander of said stream.

The water to be taken from place of diversion by means of ditches, flumes, pipes, and lateral ditches flumes and pipes to the Town of ~~Underwood~~ White Salmon, Washington and to the adjacent country for domestic, irrigating and Manufacturing purposes and for any and all purposes for which a Town or City Water System may be used. The said water or so much as may be needed from time to time to be stored in a reservoir located at or near the Town of White Salmon, Wash. from which Reservoir to be distributed by means of pipes, ditches or flumes for the uses above named reserving the right to supply water for domestic irrigating and other purposes directly from said pipes, ditches or flumes between said place of diversion and said reservoir.

Signed J. C. Mac Innes.
