Locator(s).

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
