WHEREAS Section 8 of the Mortgage provides that the form of each series of bonds (other than the First Series) issued thereunder and of the coupons to be attached to the coupon bonds, if any, of such series shall be established by Resolution of the Board of Directors of the Company; that the form of such series, as established by said Board of Directors, shall specify the descriptive title of the bonds and various other terms thereof; and that such series may also contain such provisions not inconsistent with the provisions of the Mortgage, as supplemented, as the Board of Directors may, in its discretion, cause to be inserted therein expressing or referring to the terms and conditions upon which such bonds are to be issued and/or secured under the Mortgage, as supplemented; and

WHEREAS Section 120 of the Mortgage provides, among other things, that any power, privilege or right expressly or impliedly reserved to or in any way conferred upon the Company by any provision of the Mortgage, as supplemented, whether such power, privilege or right is in any way restricted or is unrestricted, may (to the extent permitted by law) be in whole or in part waived or surrendered or subjected to any restriction if at the time unrestricted or to additional restriction if already restricted, and the Company may enter into any further covenants, limitations or restrictions for the benefit of any one or more series of bonds issued thereunder, or the Company may cure any ambiguity contained therein, or in any supplemental indenture, or may (in lieu of establishment by Resolution as provided in Section 8 of the Mortgage) establish the terms and provisions of any series of bonds other than said First Series, by an instrument in writing executed and acknowledged by the Company in such manner as would be necessary to entitle a conveyance of real estate to record in all of the states in which any property at the time subject to the lien of the Mortgage, as supplemented, shall be situated; and

WHEREAS the Company now desires (pursuant to the provisions of Section 120 of the Mortgage) to establish the terms and provisions of a new series of bonds and to add to its covenants and agreements contained in the Mortgage, as heretofore supplemented, certain other covenants and agreements to be observed by it, to alter and amend in certain respects the covenants and provisions contained in the Mortgage, as heretofore supplemented, and to provide for additional series of bonds; and

WHEREAS the execution and delivery by the Company of this Thirty-eighth Supplemental Indenture, and the terms of the bonds of the Forty-third Series hereinafter referred to, have been duly authorized by the Company;

NOW, THEREFORE, THIS INDENTURE WITNESSETH:

That Pacific Power & Light Company, in consideration of the premises and of One Dollar (\$1) to it duly paid by the Trustees at or before the ensealing and delivery of these presents, the receipt whereof is hereby acknowledged, and in further assurance of the estate, title and rights of the Trustees and in order further to secure the payment of both the principal of and interest and premium, if any, on the bonds from time to time issued under the Mortgage, according to their tenor and effect, and the performance of all the provisions of the Mortgage (including any instruments supplemental thereto and any modification made as in the Mortgage provided) and of such bonds, and to confirm the lien of the Mortgage on certain after acquired property, hereby grants, bargains, sells, releases, conveys, assigns, transfers, mortgages, pledges, sets over and confirms (subject, however, to Excepted Encumbrances as defined in Section 6 of the Mortgage) unto R. The Company further covenants and agrees to and with the Trustees and their successor or successors in such trust under the Mortgage, as follows:

ARTICLE I.**Forty-third Series of Bonds.**

SECTION 1. There shall be a series of bonds designated "Adjustable Rate Series due November 1, 2002" (herein sometimes referred to as the "Forty-third Series"), each of which bonds shall be substantially in the form set forth in Annex A hereto. Bonds of the Forty-third Series shall mature on November 1, 2002 and shall be issued as fully registered bonds in the denomination of One Thousand Dollars and, at the option of the Company, in any multiple or multiples of One Thousand Dollars (the exercise of such option to be evidenced by the execution and delivery thereof); they shall bear interest at the rates specified in the bonds of the Forty-third Series, payable semi-annually on May 1 and November 1 of each year, commencing November 1, 1982; and the principal of and interest on each such bond shall be payable at the office or agency of the Company in the Borough of Manhattan, The City of New York, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts.

Notwithstanding Section 10 of the Mortgage (as heretofore amended), each bond of the Forty-third Series shall

(i) be dated as of the date of its authentication (except that if any bond of the Forty-third Series shall be authenticated upon any interest payment date for that series, it shall be dated as of the day following), provided that any bond of the Forty-third Series issued in exchange or substitution for, or upon the transfer of, an outstanding bond of the Forty-third Series prior to the first interest payment date to which interest has been paid or duly provided for shall be dated the same date as the bond of the Forty-third Series being exchanged, substituted or transferred; and

(ii) (except as provided in the paragraph inserted in the Mortgage by the next paragraph of this Thirty-eighth Supplemental Indenture) bear interest from the interest payment date next preceding its date or, in the case of any bond of the Forty-third Series issued prior to the first interest payment date to which interest has been paid or duly provided for, from its date.

Section 10 of the Mortgage (as heretofore amended) is hereby further amended by inserting the following provision at the end thereof:

"Notwithstanding the foregoing, the person in whose name any bond of the Adjustable Rate Series due November 1, 2002 (hereinafter called the "Forty-third Series") is registered at the close of business on any record date for the Forty-third Series (as hereinabove defined) with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date (except that in case of any redemption of bonds as provided for herein on a date subsequent to the record date for the Forty-third Series and prior to such interest payment date, interest on such redeemed bonds shall be payable only to the date fixed for redemption thereof and only against surrender of such bonds for redemption in accordance with the notice of such redemption), notwithstanding the cancellation of such bond upon any transfer or exchange thereof subsequent to the record date for the Forty-third Series and prior to such interest payment date, except if, and to the extent that, the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the persons in whose names outstanding bonds of the Forty-third Series are registered on the day immediately preceding the date of payment of such defaulted interest. Any bond of the Forty-third Series issued upon any transfer or exchange subsequent to the record date for the Forty-third Series for any interest payment date and prior to such interest payment date shall bear interest from such interest payment date. The term 'record date for the Forty-third Series' as used with respect to any interest payment date shall mean the fifteenth day of the calendar month next preceding such interest payment date."

Bonds of the Forty-third Series shall not be redeemable except as set forth in the following Subsections (I) through (III), inclusive:

- (I) Bonds of the Forty-third Series shall be redeemable either at the option of the Company or pursuant to the requirements of the Mortgage, as supplemented, at any time (or from time to time) on or after November 1, 1996 and prior to maturity, either as a whole or in part, upon notice as provided in Section 52 of the Mortgage mailed at least thirty (30) and not more than sixty (60) days prior to the date fixed for redemption, at the following General Redemption Prices, expressed in percentages of the principal amount of the bonds to be redeemed:

(III) Bonds of the Forty-third Series shall also be redeemable at any time prior to maturity, as a whole but not in part, upon like notice, by the application of cash deposited with the Corporate Trustee pursuant to the provisions of Section 87 of the Mortgage, at the Special Redemption Price equal to the principal amount of the bonds to be redeemed together with accrued interest to the date fixed for redemption.

At the option of the registered owner, any bonds of the Forty-third Series, upon surrender thereof, for cancellation, at the office or agency of the Company in the Borough of Manhattan, The City of New York, shall be exchangeable for a like aggregate principal amount of bonds of the same series of other authorized denominations.

Bonds of the Forty-third Series shall be transferable, upon the surrender thereof, for cancellation, together with a written instrument of transfer in form approved by the registrar duly executed by the registered owner or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York. Upon any transfer or exchange of bonds of the Forty-third Series, the Company may make a charge therefor sufficient to reimburse it for any tax or taxes or other governmental charge, as provided in Section 12 of the Mortgage, but the Company hereby waives any right to make a charge in addition thereto for any exchange or transfer of bonds of the Forty-third Series.

After the execution and delivery of this Thirty-eighth Supplemental Indenture and upon compliance with the applicable provisions of the Mortgage, as supplemented, there shall be an issue of bonds of the Forty-third Series in an aggregate principal amount not to exceed Fifty Million Dollars (\$50,000,000). No bonds of the Forty-third Series shall be originally issued after the issuance of said \$50,000,000 aggregate principal amount.

ARTICLE II.

Additional Series of Bonds.

SECTION 2. After the execution and delivery of this Thirty-eighth Supplemental Indenture and authentication and delivery of the bonds of the Forty-third Series and upon compliance with the applicable provisions of the Mortgage, as supplemented, it is contemplated there shall be additional bonds issued, in one or more sequentially numbered series commencing with the Forty-fourth Series (hereinafter referred to as the "Additional Series"), in an aggregate principal amount not to exceed One Hundred Fifty Million Dollars (\$150,000,000), and the Board of Directors of the Company has authorized, and this Thirty-eighth Supplemental Indenture hereby confirms

the lien of the Mortgage to secure, the Additional Series of bonds in an aggregate principal amount not to exceed said One Hundred Fifty Million Dollars (\$150,000,000).

Section 10 of the Mortgage (as heretofore amended) is hereby further amended by inserting the following provisions at the end thereof:

"Notwithstanding the foregoing, the person in whose name any bond of any of the series of bonds issued subsequent to the Forty-third Series is registered at the close of business on any record date for any such series of bonds issued subsequent to the Forty-third Series with respect to any interest payment date shall be entitled to receive the interest payable on such interest payment date (except that in case of any redemption of bonds as provided for herein on a date subsequent to the record date for any such series of bonds issued subsequent to the Forty-third Series and prior to such interest payment date, interest on such redeemed bonds shall be payable only to the date fixed for redemption thereof and only against surrender of such bonds for redemption in accordance with the notice of such redemption) notwithstanding the cancellation of such bond upon any transfer or exchange thereof subsequent to the record date for such series and prior to such interest payment date, except if, and to the extent that, the Company shall default in the payment of the interest due on such interest payment date, in which case such defaulted interest shall be paid to the persons in whose names outstanding bonds of any such series are registered on the day immediately preceding the date of payment of such defaulted interest. Any bond of any such series issued upon any transfer or exchange subsequent to the record date for said series for any interest payment date and prior to such interest payment date shall bear interest from such interest payment date. The term 'record date for any series of bonds issued subsequent to the Forty-third Series' shall have the meaning set forth in the Resolution of the Board of Directors of the Company establishing such subsequent series.

The Company reserves the right to establish, at any time, by Resolution of the Board of Directors of the Company a form of coupon bond, and of appurtenant coupons, for any series of the Additional Series and to provide for exchangeability of such coupon bonds with the bonds of such series of

the Additional Series issued hereunder in fully registered form and to make all appropriate provisions for such purpose.

Annex A**PACIFIC POWER & LIGHT COMPANY****First Mortgage Bond, Adjustable Rate Series due November 1, 2002****No. R****\$**

PACIFIC POWER & LIGHT COMPANY, a corporation of the State of Maine (hereinafter called the Company), for value received, hereby promises to pay to _____ or registered assigns, on November 1, 2002, at the office or agency of the Company in the Borough of Manhattan, The City of New York, the sum of _____ Dollars, in such coin or currency of the United States of America as at the time of payment is legal tender for public and private debts, and to pay interest thereon (computed on the basis of a 360-day year of twelve 30-day months) from the May 1 or November 1 next preceding the date hereof or, if no interest has been paid on the bonds of this series, from the date hereof, at a rate per annum determined as provided in paragraph 2 hereof, until the principal hereof shall become due and payable, and thereafter at a rate per annum 1% greater than said rate so determined from time to time on any overdue principal and premium, and (to the extent permitted by applicable law) on any overdue interest, in like coin or currency at such office or agency on May 1 and November 1 in each year, commencing November 1, 1982, until the Company's obligation with respect to the payment of such principal shall have been discharged, provided that the interest so payable on any May 1 or November 1 will, subject to certain exceptions set out in the supplemental indenture dated as of August 1, 1982 hereinafter mentioned, be paid to the person in whose name this bond (or any bond or bonds previously outstanding in transfer or exchange for which this bond was issued) is registered at the close of business on the April 15 or October 15, as the case may be, next preceding such interest payment date.

1. This bond is one of an issue of bonds of the Company issuable in series and is one of a series known as its First Mortgage Bonds, Adjustable Rate Series due November 1, 2002, all bonds of all series issued and to be issued under and equally and ratably secured (except in so far as any sinking or other fund, established in accordance with the provisions of the Mortgage hereinafter mentioned, may afford additional security for the

bonds of any particular series) by a Mortgage and Deed of Trust (herein, together with any indenture supplemental thereto, including the supplemental indenture dated as of August 1, 1982, called the Mortgage), dated as of July 1, 1947, executed by the Company to Guaranty Trust Company of New York (now Morgan Guaranty Trust Company of New York) (hereinafter called the Corporate Trustee) and Oliver R. Brooks (R.E. Sparrow, successor), as Trustees. Reference is made to the Mortgage for a description of the property mortgaged and pledged, the nature and extent of the security, the rights of the holders of the bonds and of the Trustees in respect thereof, the duties and immunities of the Trustees, the terms and conditions upon which the bonds are and are to be secured, and the circumstances under which additional bonds may be issued. With the consent of the Company and to the extent permitted by and as provided in the Mortgage, the rights and obligations of the Company and/or the rights of the holders of the bonds and/or coupons and/or the terms and provisions of the Mortgage may be modified or altered by affirmative vote of the holders of at least seventy percentum (70%) in principal amount of the bonds then outstanding under the Mortgage and, if the rights of the holders of one or more, but less than all, series of bonds then outstanding are to be affected, then also by affirmative vote of the holders of at least seventy percentum (70%), in principal amount of the bonds then outstanding of each series of bonds so to be affected (excluding in any case bonds disqualified from voting by reason of the Company's interest therein as provided in the Mortgage); provided that, without the consent of the holder hereof, no such modification or alteration shall, among other things, impair or affect the right of the holder to receive payment of the principal of (and premium, if any) and interest on this bond, on or after the respective due dates expressed herein, or permit the creation of any lien equal or prior to the lien of the Mortgage or deprive the holder of the benefit of a lien on the mortgaged and pledged property, or permit the deprivation of any non-assenting holder of the benefit of the lien upon the property mortgaged under the Mortgage as security for such holder's bonds (subject only to certain specified liens), or permit the modification of the obligations of the Company under Section 64 of the Mortgage. The Company has reserved the right to amend the Mortgage without any consent or other action by holders of this series of bonds or any other series of bonds created since 1969 so as to change seventy percentum (70%) in the foregoing sentence to sixty-six and two-thirds percentum (66⅔%).

2. Interest on this bond is payable at a rate per annum determined as follows:

A. Interest on this bond is payable (i) at the rate of [16.75% per annum for the period from the date hereof to and including October 31, 1983]*, and (ii) at a rate per annum equal to the Adjusted Rate (as defined below) for the 12-month period thereafter commencing on November 1, in each year (each such 12-month period being herein called an Applicable Period and each such November 1, being herein called an Adjustment Date). The Adjusted Rate for the Applicable Period commencing on any Adjustment Date shall be (i) the Base Treasury Rate or the Alternate Treasury Rate (each as defined below), as the case may be, determined for such Applicable Period in accordance with the Procedures (as defined and set forth below), times 127%, rounded to the nearest one tenth of one percentage point or (ii) under the circumstances described in paragraph F below, the rate determined by Banking Firms (as defined below) for such Applicable Period in accordance with said paragraph F, times 127%, rounded to the nearest one tenth of one percentage point; provided, however, that the Adjusted Rate for any Applicable Period shall in no event be less than 10% per annum or greater than 24% per annum. If for any reason beyond the control of the Company, neither the Base Treasury Rate nor the Alternate Treasury Rate shall have been so determined for any Applicable Period prior to the December 1 next succeeding the Adjustment Date for such Applicable Period, the Adjusted Rate for such Applicable Period shall be the interest rate per annum in effect on the October 31 next preceding such Adjustment Date; provided, however, that any rate thereafter determined for such Applicable Period in accordance with paragraph F below shall be deemed to supersede such rate for (and only for) any portion of such Applicable Period occurring on or after the date of such determination.

B. The Base Treasury Rate for the Applicable Period commencing on any Adjustment Date shall be the arithmetic average of the four most

* The matter in brackets will be set forth in the bonds of this series originally issued and in any bonds of this series issued upon a transfer or substitution or exchange of bonds of this series on or before October 31, 1983. Any bonds of this series so issued thereafter shall specify the Adjusted Rate then in effect and the last day of the then current Applicable Period.

recent weekly average yields to maturity for actively traded marketable U.S. Treasury fixed interest rate securities (adjusted to constant maturities of ten years), as published by the Federal Reserve Board in its Statistical Release H.15 (or published in another publication or release referred to in the immediately following sentence) published at least five days prior to such Adjustment Date; provided that such weekly average yields to maturity as so published shall have been computed with respect to weekly periods ended within 50 days prior to such Adjustment Date. If one or more of such Statistical Releases containing such weekly average yields to maturity shall not be available, the Base Treasury Rate shall be determined with reference to any comparable release of such Board substituted therefor or, if such Board shall not publish a comparable release, with reference to any official publication or release of any other U.S. Governmental department or agency that purports to set forth such weekly average yields to maturity (or purports to set forth daily average yields to maturity from which such weekly average yields to maturity can be mathematically derived), adjusted to constant maturities of ten years, in accordance with the Treasury Criteria (as defined below) or other criteria that are substantially equivalent to the Treasury Criteria, as determined by the holders of at least 66 2/3% in amount of the bonds of this series then outstanding. In August 1982, such weekly average yields to maturity were determined on the basis of the criteria (herein called the Treasury Criteria) set forth in an attachment to Federal Reserve Board Statistical Release H.15, dated May 14, 1982, and reflected in such Board's Statistical Release H.15, dated August 16, 1982.

C. The Alternate Treasury Rate for the Applicable Period commencing on any Adjustment Date shall be the arithmetic average of the average yields to maturity of the closing bids quoted daily (or less frequently, if daily quotations shall not be available) by each of the three Government Securities Dealers (as defined below) designated in accordance with the Procedures, during the 28-day period ending five days prior to such Adjustment Date, for actively traded marketable U.S. Treasury fixed interest rate securities with a final maturity date of at least eight and one-half years but not more than eleven and one-half years from the date of each such quotation (other than securities which can, at the option of the holder, be surrendered at face value in payment of any Federal estate tax and securities which provide tax benefits to the

holder and are priced to reflect such tax benefits and securities which were originally issued at a deep or substantial discount).

D. The Adjusted Rate for the Applicable Period commencing on any Adjustment Date shall be determined in accordance with the following procedures (herein called the Procedures) or paragraph F below, as the case may be:

(1) On or before the second day next preceding such Adjustment Date the Company will deliver to the holder of this bond and to the Corporate Trustee a certificate, signed by the principal financial officer of the Company (herein called an Adjustment Certificate), either (a) setting forth the Base Treasury Rate for the Applicable Period commencing on such Adjustment Date, determined as above provided (and accompanied by copies of each Statistical Release H.15 or other publication or release used in determining such Base Treasury Rate), whereupon such Base Treasury Rate shall be used to compute the Adjusted Rate for such Applicable Period, or (b) stating that (i) one or more of the Statistical Releases H.15 (or other publication or release) necessary for determining such Base Treasury Rate were not available for the four weeks next preceding such Adjustment Date, and/or (ii) the Treasury Criteria were not in effect for such four-week period and, for reasons specified in such certificate, the criteria determined to be substantially equivalent to the Treasury Criteria by the holders of at least 66 $\frac{2}{3}$ % in amount of the bonds of this series then outstanding, pursuant to paragraph B above, are not, in the reasonable and good faith judgment of the Company, substantially equivalent to the Treasury Criteria, and setting forth the Alternate Treasury Rate for the Applicable Period commencing on such Adjustment Date, determined as above provided (such Adjustment Certificate to be accompanied by copies of the reports from which such Alternate Treasury Rate was so determined from three Government Securities Dealers designated by the Corporate Trustee), whereupon such Alternate Treasury Rate shall be used to compute the Adjusted Rate for such Applicable Period.

(2) A "Government Securities Dealer" shall mean Morgan Guaranty Trust Company of New York or any other nationally

recognized commercial bank or investment banking firm actively engaged in the trading of U.S. Treasury fixed interest rate securities of the types reflected in the Treasury Criteria.

(3) In the event that during any Applicable Period there shall occur (whether by reason of republication to correct an error or otherwise) any change in the published data used as a basis for determination of the Base Treasury Rate (and, therefore, the Adjusted Rate) then in effect with respect to such Applicable Period, the Company will, within 30 calendar days thereafter, deliver to the holder of this bond and to the Corporate Trustee a new Adjustment Certificate setting forth the new Base Treasury Rate and the other information required by the foregoing Clause (1) with respect to such new Base Treasury Rate, whereupon such new Base Treasury Rate shall be used to recompute the Adjusted Rate with respect to such Applicable Period, and such new Adjusted Rate shall be applicable retroactively from and after the Adjustment Date on which such Applicable Period commenced; provided, however, that the Company need only take such action if such change in the published data shall occur on a date no later than 90 calendar days after the beginning of such Applicable Period.

(4) If (i) the holders of at least 33 1/3% in amount of the bonds of this series then outstanding or (ii) any of the original holders of the bonds of this series shall deliver to the Company, the Corporate Trustee and each other holder of outstanding bonds of this series, within 15 days after the Company's delivery of an Adjustment Certificate with respect to any Applicable Period pursuant to the foregoing Clause (1) or Clause (3), written notice to the effect that, for reasons specified in such notice, the Base Treasury Rate set forth in such Adjustment Certificate has not been determined in accordance with the Treasury Criteria or other criteria then in effect pursuant to paragraph B above, then the Company will deliver to the holder of this bond, within 10 days after the receipt of such written notice, a second Adjustment Certificate (a) setting forth the Alternate Treasury Rate for such Applicable Period, determined as above provided (and accompanied by copies of the reports from which such Alternate Treasury Rate was so determined from three

Government Securities Dealers designated by the Corporate Trustee), whereupon such Alternate Treasury Rate shall be used to compute the Adjusted Rate for such Applicable Period, or (b) stating that for reasons beyond the control of the Company, the Alternate Treasury Rate for such Applicable Period cannot be determined, and setting forth in reasonable detail the efforts made to determine such rate, whereupon it shall be deemed that for reasons beyond the control of the Company neither the Base Treasury Rate nor the Alternate Treasury Rate has been determined for such Applicable Period.

E. The Company will keep a copy of each Adjustment Certificate at its principal executive office and permit any holder of any of the bonds of this series (or any prospective purchaser of any of the bonds of this series designated by the holder thereof) to inspect such Adjustment Certificate upon request.

F. If for any reason beyond the control of the Company, neither the Base Treasury Rate nor the Alternate Treasury Rate shall have been determined for any Applicable Period in accordance with the Procedures prior to the December 1 next succeeding the Adjustment Date on which such Applicable Period commences, the Company (i) will give written notice to each holder of any bonds of this series and to the Corporate Trustee, in each case within five business days after such December 1, specifying the reasons why neither the Base Treasury Rate nor the Alternate Treasury Rate shall have been so determined and (ii) will keep a copy of such notice at its principal executive office and permit any holder of any of the bonds of this series (or any prospective purchaser of any of the bonds of this series designated by the holder thereof) to inspect such notice upon request. Within 10 calendar days after the giving of such notice the Company shall designate two Banking Firms, and within ten calendar days after receipt of such notice the holders of at least 66 2/3% in amount of the bonds of this series then outstanding shall designate two Banking Firms. The four Banking Firms so designated shall, within 10 calendar days after the last of said Banking Firms shall have been so designated, designate a fifth Banking Firm. (If within such 10 calendar day period, the four Banking Firms do not agree upon the appointment of a fifth Banking Firm, then either the Company or the requisite holders, as the case may be, on behalf of

both, may request such appointment by the then President of the Association of the Bar of the City of New York (or any organization successor thereto) or in his absence, failure, refusal or inability to act, then either the Company or the requisite holders, as the case may be, may apply to the Supreme Court, New York County, for the appointment of such fifth Banking Firm and the other party shall not raise any question as to the court's full power and jurisdiction to entertain the application and make the appointment.) For purposes of this paragraph, a "Banking Firm" shall mean Morgan Guaranty Trust Company of New York or any other nationally recognized commercial bank or investment banking firm that was within the 12-month period prior to its designation actively engaged in the trading of U.S. Treasury fixed interest rate securities of the types reflected in the Treasury Criteria. Each Banking Firm so designated shall notify the Corporate Trustee and the Company in writing, not later than 10 calendar days after its designation as hereinabove provided, of the yield to maturity which, in its reasonable and good faith judgment, would then be obtainable for marketable U.S. Treasury fixed interest rate securities with a final maturity date of ten years from the date of such notice (other than securities which can, at the option of the holder, be surrendered at face value in payment of any Federal estate tax and securities which provide tax benefits to the holder and are priced to reflect such tax benefits and securities which were originally issued at a deep or substantial discount). The arithmetic average of said yields to maturity set forth in said notices of said five Banking Firms, times 127%, rounded to the nearest one tenth of one percentage point, shall be the Adjusted Rate with respect to such Applicable Period, and such Adjusted Rate shall be applicable for the remainder of such Applicable Period. The Company will give prompt written notice to each holder of any bonds of this series and the Corporate Trustee of such new Adjusted Rate (such notice to be accompanied by copies of the written notices of said five Banking Firms). Notwithstanding anything herein to the contrary, if the Company or the requisite holders shall fail to designate one or both Banking Firms within the time period set forth above or if any of the Banking Firms designated by the Company or the requisite holders shall refuse to participate in the selection of a fifth Banking Firm required by the third sentence of this paragraph, then the arithmetic average of the yields to maturity set forth in the written notices of the Banking Firms designated or participating, as the case may be, times

127%, rounded to the nearest one-tenth of one percentage point, shall be the Adjusted Rate with respect to such Applicable Period; and such Adjusted Rate shall be applicable for the remainder of such Applicable Period.

3. The principal hereof may be declared or may become due prior to the maturity date hereinbefore named on the conditions, in the manner and at the time set forth in the Mortgage, upon the occurrence of a default as in the Mortgage provided.

4. This bond is transferable as prescribed in the Mortgage by the registered owner hereof in person, or by his duly authorized attorney, at the office or agency of the Company in the Borough of Manhattan, The City of New York, upon surrender and cancellation of this bond, together with a written instrument of transfer, if required by the Company, duly executed by the registered owner or by his duly authorized attorney, and, thereupon, a new fully registered bond of the same series for a like principal amount will be issued to the transferee in exchange herefor as provided in the Mortgage. Subject to the foregoing provisions as to the person entitled to receive payment of interest hereon, the Company and the Trustees may deem and treat the person in whose name this bond is registered as the holder and the absolute owner hereof for the purpose of receiving payment and for all other purposes, and neither the Company nor the Trustees shall be affected by any notice to the contrary.

5. In the manner prescribed in the Mortgage, any bonds of this series, upon surrender thereof for cancellation at the office or agency of the Company in the Borough of Manhattan, The City of New York, are exchangeable for a like aggregate principal amount of fully registered bonds of the same series of other authorized denominations.

6. in each case, together with accrued interest to the date fixed for redemption.

to be redeemed together with accrued interest to the date fixed for redemption.

9. As provided in the Mortgage, the Company shall not be required to make transfers or exchanges of bonds of any series for a period of ten days next preceding any interest payment date for bonds of such series, or next preceding any designation of bonds of such series to be redeemed, and the Company shall not be required to make transfers or exchanges of any bonds designated in whole or in part for redemption.

10. No recourse shall be had for the payment of principal of or interest on this bond against any incorporator or any past, present or future subscriber to the capital stock, stockholder, officer or director of the Company or of any predecessor or successor corporation, as such, either directly or through the Company or any predecessor or successor corporation, under any rule of law, statute or constitution or by the enforcement of any assessment or otherwise, all such liability of incorporators, subscribers, stockholders, officers and directors being released by the holder or owner hereof by the acceptance of this bond and being likewise waived and released by the terms of the Mortgage.

11. The right, if any, of the Company to assert the defense of usury against a holder or holders of bonds of this series shall be determined only under the laws of the State of New York.
