AFFIDAVIT OF ASSESSMENT WORK PERFORMED

DANIEL A. FERNANDEZ, after first being duly sworn on oath deposes and says that he is the President of Dan Fer Investment, Inc., a Washington Corporation, the owners of the mining claims attached hereto, and that they and their predecessor's in interest have done all the necessary assessment work from the year 1961 through and including 1979; by expending at least One Hundred Dollars worth of assessment work for each and every claim attached hereto, and that since the violent eruption of Mt. St. Helens, on May 18, 1980 the physical access to the claims has been restricted by the State of Washington and the Federal Government, and that they have been prevented by the Governments from performing assessment work upon the claims, because of the "Red" and "Blue" zones.

That since the eruption in 1980 the Corporation and their predecessor's in interest have expended a sum in excess of One Hundred Dollars for each and every claim attached hereto, by performing work beneficial to the claims, to-wit administration work, attorneys work, map drawings and location, and other related work, for the years 1980, 1981, and 1982.

That the Corporation intends to begin physical assessment work in the Spring of 1983, provided permission can be obtained from the State of Washington and the Federal Governments; or in the alternative the Corporation intends to petition the Secretary of Interior for an Order deferring assessment work until permission to enter the area has been obtained.

DATED: OCTOBER 20, 1982.

DANIEL A. FERNANDEZ, President
