Name: North one-quarter corner common to Sections 24 and 25; Corner  
DLC, HES Mining Claim, Indian Allotment, Federal Reserve, Townsite Number R-23

## 1. History of Corner Establishment and Subsequent Restoration; description of Evidence Found:

I searched extensively for this corner. Close to the corner, I found two 1902 blazes; one on the North side of line was right at the corner and was an axe mark burned from the 1903 fire. The other was a line blaze on the South side of line of a live tree. A ring count indicated it was blazed in 1902. About 75 feet North, there is a 40-year old blazed line. I found the 5-foot diameter line tree 430 feet to the West. All that was left of this tree was a burned out root collar. We used the line tree and the Northeast Section Corner to proportion the Easting, and the original blaze line for Northing.
