DESCRIPTION OF CLAIM.

## Notice of Mining Location

STATE OF OREGON: Washington

County of Skamania

Silver Star Copper Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral-bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of Oregon and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The name of the claim is **Copper Bear #4**. Claim further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

750 feet in a **Southerly**  
 300 feet in a **Easterly**  
 1500 feet in a **Northerly**  
 300 feet in a **Westerly**  
 300 feet in a **Westerly**  
 1500 feet in a **Southerly**  
 300 feet in a **Easterly**

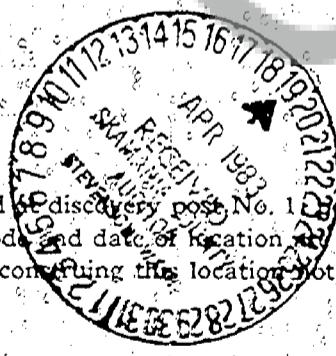

The locators claim 750

direction from point of discovery to the **Northerly** end line and 750 feet in the opposite direction from point of discovery to the **Southerly** end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being 750 feet from a natural object or permanent monument in the vicinity, to-wit: Sections 19 and 20 T4N S4E (use township and range, if possible).

The Southerly end line begins approx 3200ft. from Rd #42 approx five eights of a mile from the junction of Rd #42. The discovery post is approx 4600 ft up Bull Cr. From Rd #42

The general course or strike of the vein or lode as nearly as may be determined is with reference to the natural object or permanent monument described above. The adjoining claims are

**Copper Bear #3** which lies to the **WEST**.

This notice is placed on discovery post No. 1. Posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In constituting the location notice, the singular includes the plural and vice versa, where the context so requires.

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice contains all things required.
