

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

STATE OF OREGON, *Washington*

County of *Skamania*

Silver Star Copper Cr. Mining District

Re-record

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of mineral bearing rock in place upon the unappropriated public domain of the United States within the State of Oregon and said Mining District; and, in accordance with the laws of the United States, of the State of ~~Oregon~~ *WA* and the regulations of said Mining District, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post at the point of discovery, marked Post No. 1. The

name of the claim is: **Copper Bear # 3**

Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), from thence

- 750 feet in a *southerly* direction to an end post marked No. 2, thence
- 300 feet in a *easterly* direction to a corner post marked No. 3, thence
- 1500 feet in a *northerly* direction to a corner post marked No. 4, thence
- 300 feet in a *westerly* direction to an end post marked No. 5, thence
- 300 feet in a *westerly* direction to a corner post marked No. 6, thence
- 1500 feet in a *southerly* direction to a corner post marked No. 7, thence
- 300 feet in a *easterly* direction to said end post marked No. 2.

The locators claim: **750** feet in a *northerly* direction from point of discovery to the *northerly* end line and **750** feet in the opposite direction from point of discovery to the *southerly* end line and

300 feet on each side of the middle of said vein or lode; further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being **750** feet from a natural object or permanent monument in the vicinity, to-wit: *Sections 19 and 20 T4N 5E* (use township and range, if possible)

The *southerly* end line is approx. **2600 feet** from Rd # 42, approx. one half a mile from junction of Rd 41. The discovery post #1 is on *Bolin Creek* approx. **3500 ft.** from Rd # 41.

The general course or strike of the vein or lode as nearly as may be determined is with reference to the natural object or permanent monument described above. The adjoining claims are

The *southerly* end line is approx. *north* of the *northerly* end line of *Copper Bear #1* by **300 FT.**

- ① Rd # 42 should read Rd # 4104
- ② 3500 Ft. should read 2900 Ft.

This notice is placed at discovery post No. 1; posts are placed at each corner and both center ends, and the name of this vein or lode and date of location are placed on all posts so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa when the context so requires.

Caution: The laws of nearly all western states contain special requirements for location notices. These requirements differ from state to state. The Oregon requirements appear on the reverse hereof. If the claim for which this form is used is situated outside of Oregon, change the name of the state above and, before recording, carefully check the foregoing location notice with the laws of the state and the regulations of the mining district in which the claim is situated to ensure that the notice complies with the requirements.
