the balance credited to the principal. Purchaser is privileged to make larger or additional payments or may retire the entire balance of the purchase price at any time, all without penalty.

2. ASSIGNMENT: The interest of Purchaser in the within contract shall not be subject to assignment or other transfer, nor will Purchaser sell, contract to sell, encumber or otherwise transfer or alienate his interest in this contract or the property described herein, except with the prior written consent of Seller, and which consent Seller agrees not to unreasonably withhold.

3. TAXES, INSURANCE AND ASSESSMENTS: Seller warrants that the real and personal property taxes and all assessments against the aforesaid property and mobile home are paid through the first half of 1984. Purchaser covenants to seasonably pay all such real and personal property taxes and any other governmental or municipal assessments thereafter levied on the property during the performance of this contract. Purchaser covenants during the performance of this contract, at his sole expense, to keep said mobile home and pole barn and any other insurable buildings on the property continually insured against fire and extended coverage through a policy or policies issued by a company or companies authorized to transact such insurance business in the State of Washington to the full insurable value of the same, with proceeds of such insurance payable to the parties herein as their interests shall appear. Such policies of insurance or other proof of such insurance shall be delivered to Seller, and such policies shall contain an endorsement or other provisions to the effect that in event of cancellation of such insurance, notice of such cancellation shall be furnished to Seller by certified mail not less than ten (10) days prior to cancellation. In event of an insurable loss and the payment of insurance proceeds to Seller, then any sums so paid shall be credited upon the unpaid balance of this contract, except that in event of a partial loss the proceeds of the insurance may, with Seller's approval, be applied to the expenses of repair occasioned by any such partial loss.

4. INSPECTION AND RISK OF LOSS: Purchaser agrees that he has fully inspected the real property herein bargained to be sold and is relying on no representations or warranties except as expressed in this contract. Purchaser assumes the risk of loss or damage to said property by fire or otherwise, and agrees that the destruction of said property, in whole or in part, or that the taking of said property or any part thereof for public use, shall not constitute a failure of consideration on the part of the Seller.

5. POSSESSION, USE AND TITLE: Purchaser shall be entitled to the possession of the property as of May 1, 1984, and thereafter while this contract is not in default, except that Seller reserves the privilege of inspecting the property at all reasonable times concerning the performance of this contract. Purchaser covenants to use the premises in a lawful manner, to commit or suffer no waste thereof, to maintain the premises, including the mobile home and pole barn, in a good state of repair and maintenance, to refrain from performing any material alterations to the property, its buildings or improvements, except with Seller's prior written consent, and specifically agree that said mobile home and pole barn shall be deemed fixtures attached to the real property and no part of the same shall be removed during the performance of this contract except as provided below. Purchaser covenants further to seasonably pay all

charges incurred in connection with the premises for repairs, utilities, improvements or otherwise, to the end that no liens may attach to the property. If Purchaser shall fail or neglect to make any such payments, shall fail to pay the taxes, assessments or insurance premiums, or shall neglect any other charge which in the opinion of Seller may attach as a lien to the premises, or if Purchaser shall fail to properly repair or maintain the premises and said barn and mobile home, then Seller may, at his election, make any such payments or perform any such repairs or maintenance, and any sums so paid by Seller thereby shall be repayable by Purchaser on demand, or Seller may, at his election, add the amount thereof to the unpaid balance of this contract.

Legal title to the aforesaid real property, barn and mobile home shall be and remain vested in Seller until the final payment and performance of this contract except however, title and ownership of the aforesaid mobile home shall vest in Purchaser when the unpaid balance of this contract has been reduced to not more than \$30,000.00, at which time Seller agrees to transfer the certificate of title to said mobile home to Purchaser, and Purchaser shall thereafter be privileged to remove or otherwise dispose of said mobile home as he may choose. Upon the final payment and performance of this contract Seller covenants to execute and deliver to Purchaser a warranty deed conveying the title to the real property as hereinabove described and otherwise free of liens or encumbrances as of the date of this contract. Seller shall not warrant against any liens or encumbrances that may be incurred or suffered by Purchaser subsequent to the date of this contract. Seller will furnish to Purchaser as soon as procurable a policy of title insurance in the amount of the purchase price insuring Purchaser's interest in the property pursuant to this contract.

6. PERFORMANCE AND DEFAULT: Time and exact performance in all things shall be of the essence of this contract. In event of default by Purchaser in the payment of the several sums herein provided, or in event of the failure or neglect of Purchaser to perform the several terms and conditions of this contract, and said default having continued for a period of fifteen (15) days, then Seller may declare Purchaser's interest hereunder forfeited and may repossess the property, retaining any sums theretofore paid as liquidated damages for such failure to perform and for the use and occupancy of the premises. Seller may in the alternative bring action on any intermediate overdue installments or upon any payments made by Seller and repayable by Purchaser, and the institution of any such action shall not constitute an election of remedy as to any subsequent default. The waiver by Seller of any breach of this contract shall not be construed as a waiver of said covenants or of any future breach of any term of this contract.

In event a legal or equitable action is commenced to enforce any rights under this contract or for the forfeiture of the same, then the prevailing party shall be entitled to a reasonable sum as attorney fees in said suit. It is agreed that any notice required by law concerning the enforcement or forfeiture of this contract may be made by registered or certified United States mail, addressed to Purchaser's last known mailing address, or to such specific address as Purchaser may hereafter designate to Seller in writing.
