Re: Claims: LEM #1 thru LEM #18
Serial Number: ORMC 66578 thru ORMC 66595

Dear Sir:

This is a letter stating our intent to hold these claims for mining purposes. The reason the assessment work has not been done is that we are located within the 1984 assessment year due to the fact these claims were filed Sept. 15, 1983.

We plan to do the assessment work in the summer, before Sept. 1, 1985. The BLM said I had to have a letter to you before 9/30/84 and a copy to them with your stamp on it. I would appreciate your stamping the copy of this letter and returning it to me in the self addressed, stamped envelope so that I may forward it to them.

Thank you for your prompt attention.

Sincerely,

Sydney A. Rippee
