THIS SUPPLEMENTAL AGREEMENT, made and entered into this 30th day of January 19 86, by and between LONGVIEW FIBRE COMPANY, a Delaware corporation, herein called "Longview," and STATE OF WASHINGTON, acting by and through the Department of Natural Resources, herein called "State," WITNESSETH:

Whereas, on the 7th day of November, 1984, Longview and the State entered into an easement exchange, hereinafter called Original Easement, which was recorded in the records of Skamania County, Washington, on the 26th day of November, 1984, in Volume 84 of Deeds, pages 98-127 under Auditor's File No. 98520, and in the records of Klickitat County, Washington, on the 10th day of December, 1984, in Volume 229 of Deeds, pages 67-96 under Auditor's File No. 19674, and in the records of Clark County, Washington, on the 27th day of December, 1984, on pages 163-192 under Auditor's File No. 8412270113. Said Original Easement is hereby supplemented as follows:

A. State, for and in consideration of mutual benefits hereby grants and conveys to Longview, its successors and assigns, a permanent easement upon, over, and along rights of way sixty (60) feet in width over and across the NW1/4NW1/4, Section 10, Township 2 North, Range 7 East, W.M., in Skamania County, Washington, being thirty (30) feet on each side of the centerline of a road located approximately as shown in green on the attached "Exhibit A:"

Subject as to said lands to all matters of public record including the Right of Way Permit granted to the State by the Bureau of Land Management dated July 14, 1975 and recorded in the Skamania County records in Volume 69 of Deeds on page 431 on August 22, 1975.

B. Provided, however, thirty (30) days prior to any reconstruction, or development, Longview shall submit to the Area Manager at Castlerock, Washington, for written approval, a complete and detailed plan of operation for the development of the right of way. Longview operations specified hereinabove shall be conducted in accordance with the provisions of the State approved Plan of Operation in force at the time of the commencement of said operations and Longview shall provide for the examination of the right of way with the State's Area Manager, before any reconstruction, or development is commenced.

C. The parties agree that this grant by the State is for a concurrent use and is not an assignment of those rights acquired from the Bureau of Land Management dated July 14, 1975.

Except as herein supplemented all of the terms, conditions and reservations of the Original Easement shall remain in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this instrument, in duplicate, to become effective as of the day and year first above written.
