Amounts so added shall be payable on demand with interest from the date of expenditure at the rate the Note bears. The rights provided for in this section shall be in addition to any other rights or any remedies to which Lender may be entitled on account of the default. By taking the required action, Lender shall not cure the default so as to bar it from any remedy that it otherwise would have had.

In the event any action or proceeding is commenced that questions Grantor's title or the interest of Lender or Trustee under this Deed of Trust, Grantor shall defend the action at its expense.
- Condemnation. Application of Net Proceeds. If all or any part of the Property is condemned, Lender may at its election require that all or any portion of the net proceeds of the award be applied to the Indebtedness.
