General Land Office

Washington D.C., December 20, 1900

It is hereby certified that the tracts of land embraced in this list aggregating nine thousand nine hundred and ninety acres and forty hundredths of an acre (9990.40) were duly selected by the State of Washington, in part satisfaction of the grant thereof of 100,000 acres for Public Buildings at the Capital by section 17, the Act approved February 22, 1889 (25 U.S. Stat., 676); that the said tracts have been examined and compared with the township plats and tract books in this office, and have been found to be subject to selection, being surveyed, unreserved and unappropriated public lands of non-mineral character within the limits of the State entitled thereto, and the records of this office show said tracts to be free from any claim adverse to that of the State.

The quantity of lands heretofore certified to the State under this grant is 75,265.71 acres, which with the quantity embraced in this list aggregates 35,256.1 acres.

Approved:

M. H. Lewis

Acting Chief of Division

James Rowen

O. N. Burke

Examiners

Mineral Division, December 21, 1900

This certifies that the tracts selected herein were not returned as mineral and are not in conflict with mining claims of record in this office, that some of the tracts have been published under the mining regulations without protest or objection and the remaining tracts are not in townships containing mining claims of record.

Approved:

H. G. Potter

Chief of Division

L. A. Hollingsworth,
Examiner.
