Skamania County Assessor
P. O. Box 790

Dear Ms. Kimmel:

Longview Fibre Company is in the process of completing a land exchange with the Washington Department of Natural Resources that involves land in Skamania County.

Attached are two parcel lists showing the legal descriptions of the parcels in Skamania County that are involved in the exchange. We tentatively plan to close the exchange in the next two weeks.

We plan to pay property taxes and fire protection on the land we are trading to the State, pro-rated to the day of closing. A listing of the tax account numbers is also attached.

Longview Fibre Company would like to have the land we receive classified as forestland for property tax purposes. Please advise me as to when this can be accomplished and how the taxes will be handled in the interim.

Please contact me if you have any questions about our exchange or if you see any problems that can be resolved in advance.

Thank you for your consideration.

Very truly yours,

Blake S. Rowe
