Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted], WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #111 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2:

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the South end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NW¼ (designate quarter section) of Section 8, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #112, Eureka #119

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #121 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [blank] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the W½ (designate quarter section) of Section 8, Township 4N Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #113, Eureka #120, Eureka #122, Eureka #129

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted]WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #132 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence

300 feet in a westerly direction to a corner post marked No. 3, thence

1500 feet in a direction to a corner post marked No. 4, thence

300 feet in a direction to an end post marked No. 5, thence

300 feet in a direction to a corner post marked No. 6, thence

1500 feet in a direction to a corner post marked No. 7, thence

300 feet in a direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [illegible] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 8, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #124, Eureka #131, Eureka #133, Eureka #140

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #142 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined, is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE¼ (designate quarter section) of Section 17, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #134, Eureka #141, Eureka #61, Eureka #150

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted]WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #152 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 17, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #147, Eureka #151, Eureka #153, Eureka #156

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted]WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #162 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit: [redacted]

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE4 (designate quarter section) of Section 20, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed [redacted]

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #158, Eureka #161, Eureka #163, Eureka #[redacted]172

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1300 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1300 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 20, Township 1N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #171, Eureka #173, Eureka #182

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #1183 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
200 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
200 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.
1200

The locators claim 300 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 20, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed .....

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #173, Eureka #1182

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

OL

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #193 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [blank] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SW¼ sec. 14 (designate quarter section) & Section 23 & 24, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #192, Eureka #194, Eureka #205

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #205 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a Southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.
1200

The locators claim [redacted] feet in a northerly direction from point of discovery to the NORTH end line and 300 feet in the opposite direction from point of discovery to the SOUTH end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit: [redacted]

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE¼ (designate quarter section) of Section 22, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed [redacted]

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #191, Eureka #202, Eurekattadt, Eureka #219

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

EUREKA #213 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
200 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a Southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the South end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit: .....

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NW4 (designate quarter section) of Section 22, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed .....

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #197, Eureka #212, Eureka #214, Eureka #290

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #215 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1200 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
200 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 200 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE¼ (designate quarter section) of Section 22 Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #199, Eureka #214, Eureka #216, Eureka #232

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #223 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a Southerly direction to an end post marked No. 2, thence

300 feet in a westerly direction to a corner post marked No. 3, thence

1500 feet in a northerly direction to a corner post marked No. 4, thence

300 feet in a easterly direction to an end post marked No. 5, thence

300 feet in a easterly direction to a corner post marked No. 6, thence

1500 feet in a southerly direction to a corner post marked No. 7, thence

300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a Northerly direction from point of discovery to the North end line and 300 feet in the opposite direction from point of discovery to the South end line and 200 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit: .....

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NW¼ (designate quarter section) of Section 28 Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed .....

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #207, Eureka #222, Eureka #224, Eureka #240

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #223 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence ..... direction to an end post marked No. 2, thence
300 feet in a southerly direction to a corner post marked No. 3, thence
300 feet in a westerly direction to a corner post marked No. 4, thence
1500 feet in a northerly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
300 feet in a easterly direction to a corner post marked No. 7, thence
1200 feet in a southerly direction to said end post marked No. 2.
300 feet in a westerly

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the South end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being ..... feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N—S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 22, Township 4N., Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed .....

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #217, Eureka #223, Eureka #234, Eureka #251

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA,

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #248 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a Southerly direction to an end post marked No. 2, thence
300 feet in a Easterly direction to a corner post marked No. 3, thence
1500 feet in a Northerly direction to a corner post marked No. 4, thence
300 feet in a Easterly direction to an end post marked No. 5, thence
300 feet in a Southerly direction to a corner post marked No. 6, thence
1500 feet in a Southerly direction to a corner post marked No. 7, thence
300 feet in a Westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a Northerly direction from point of discovery to the North end line and 300 feet in the opposite direction from point of discovery to the South end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being: feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SE¼ (designate quarter section) of Section 28, Township 4 N., Range 5 E., of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #227, Eureka #242, Eureka #244, Eureka #261

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

1500 feet in a westerly direction to said end post marked No. 2.
300 feet in a [illegible] direction to [illegible]

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [illegible] feet from a natural object or permanent monument in the vicinity, to wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE¼ (designate quarter section) of Section 26, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #235, Eureka #252, Eureka #254, Eureka #268

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

OL

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location
VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is:

EUREKA #254 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a southerly direction to a corner post marked No. 6, thence
1500 feet in a westerly direction to a corner post marked No. 7, thence
300 feet in a direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly end line and
direction from point of discovery to the north end line and
feet in the opposite direction from point of discovery to the south
300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE-4 (designate quarter section) of Section 26 Township 4 N., Range 5 E., of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #236, Eureka #253, Eureka #255, Eureka #269

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

OL

THIS DIAGRAM EXPLAINS METHOD OF DESCRIPTION OF CLAIM.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #264 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence

300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a Northerly direction from point of discovery to the end line and Southerly direction from point of discovery to the end line and 300 feet in the opposite direction from point of discovery to the end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [redacted] feet from a natural object or permanent monument in the vicinity, to-wit: [redacted]

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above. This claim is situated in the E½ NW¼ (designate quarter section) of Section 26, Township 4 N., Range 5 E., of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed [redacted]

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #249, Eureka #269, Eureka #265, Eureka #279 [redacted]

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA, East fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #276 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [blank] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the NE 4 (designate quarter section) of Section 25, Township 4 N., Range 5 E., of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #261, Eureka #275, [redacted], Eureka #291

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

300 feet in a westerly direction to a corner post marked No. 3, thence

1500 feet in a northerly direction to a corner post marked No. 4, thence

300 feet in a easterly direction to an end post marked No. 5, thence

300 feet in a easterly direction to a corner post marked No. 6, thence

1500 feet in a southerly direction to a corner post marked No. 7, thence

300 feet in a [illegible] direction to said end post marked No. 2.

The locators claim 1200 feet in a Northerly end line and

direction from point of discovery to the North end line and

feet in the opposite direction from point of discovery to the South end line and

300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being feet from a natural object or permanent monument in the vicinity,

to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SW (designate quarter section) of Section 26, Township 4N, Range 5E, of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #271, Eureka #285, Eureka #287

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.

Notice of Mining Location

VEIN OR LODE CLAIM

STATE OF [redacted] WASHINGTON

County of SKAMANIA

East Fork Lewis Mining District

NOTICE HEREBY IS GIVEN that the undersigned locators, each a citizen of the United States or one who has declared his intention to become such, have discovered a vein or lode of locatable mineral bearing rock in place upon the public domain of the United States which is open to mineral entry and location within the above state, county and mining district; and, in accordance with the laws of the United States and of the State of Oregon, have located and do hereby locate a claim upon such vein or lode by posting this notice of such discovery and location on a substantial post or monument at the point of discovery, marked Post No. 1. The name of the claim is: EUREKA #287 Claim, further described as follows:

Commencing at a post marked No. 1 (Discovery Post), thence
300 feet in a southerly direction to an end post marked No. 2, thence
300 feet in a westerly direction to a corner post marked No. 3, thence
1500 feet in a northerly direction to a corner post marked No. 4, thence
300 feet in a easterly direction to an end post marked No. 5, thence
300 feet in a easterly direction to a corner post marked No. 6, thence
1500 feet in a southerly direction to a corner post marked No. 7, thence
300 feet in a westerly direction to said end post marked No. 2.

The locators claim 1200 feet in a northerly direction from point of discovery to the north end line and 300 feet in the opposite direction from point of discovery to the south end line and 300 feet on each side of the middle of said vein or lode, further claiming all the surface rights, privileges and minerals, with all dips, spurs, angles and variations, and other rights granted by existing laws and customs. This claim is further described as being [blank] feet from a natural object or permanent monument in the vicinity, to-wit:

The general course or strike of the vein or lode as nearly as may be determined is N-S with reference to the natural object or permanent monument described above.

This claim is situated in the SW¼ (designate quarter section) of Section 25, Township 4 N., Range 5 E., of the Willamette Meridian, as surveyed by the U.S. Government or protracted if the land is unsurveyed

The end lines of the claim are parallel to each other. The adjoining claims are Eureka #272, Eureka #286, Eureka #288

This notice is placed conspicuously at discovery post No. 1; posts are placed at each corner and both center ends. The location of this claim is distinctly marked on the ground so that the boundaries of the claim may be readily traced. In construing this location notice, the singular includes the plural and vice versa, where the context so requires.
