DEED OF TRUST

THOMAS W. EHRLGOD AND BARBARA A. EHRLGOD HUSBAND AND WIFE, as
Grantor, whose address is 397 VANCOUVER, City of
STEVENSON, County of SKAMANIA, State of Washington, and
Safeco Title Insurance Company, as Trustee, whose address is
2615 Fourth Ave., City of Seattle, State of
Washington; and WESTERN BUILDERS & DESIGN CORP.
as Beneficiary, whose address is 4907 NE 42ND AVENUE
City of PORTLAND, State of OREGON

WITNESSETH:

That Grantor hereby bargains, sells and conveys to Trustee in trust, with power of sale, the following described property, situated in the County of
SKAMANIA, State of Washington, and hereinafter referred to as the Property:

All of Lots 2 and 7, and the East half of Lots 3 and 6,
all in Block 5, of JOHNSON'S ADDITION to the Town of
Stevenson according to the official plat thereof on file
and of record in the office of the Auditor of Skamania
County, Washington.

which Property is not used principally for agricultural or farming purposes, together with all buildings, fixtures and improvements thereon, and all water rights,
rights of way, easements, rents, issues, profits, income, tenements, hereditaments, privileges and appurtenances thereunto belonging, now or hereafter used or
enjoyed with the property, or any part thereof (subject, however, to the right, power and authority herein given to and conferred on Beneficiary to collect and apply
such rents, issues and profits):

For the purpose of securing: (1) payment of the indebtedness and all other lawful charges evidenced by a retail installment contract ("Contract") of even date
herewith, under which the amount financed is EIGHT THOUSAND, SIX HUNDRED EIGHTY DOLLARS (\$8,680.00), made
by Grantor payable to the order of Beneficiary at all times, in the manner and with interest as therein set forth, and any extensions and/or renewals or modifications
thereof; (2) the performance of each agreement of Grantor herein contained; (3) the payment of such additional contracts, loans or advances as hereafter may be
made to Grantor, or his successors or assigns, together with interest thereon at such rate as shall be agreed; and (4) the payment of all sums expended or ad-
vanced by Beneficiary under or pursuant to the terms hereof, together with interest thereon as herein provided.

To protect the security of this Deed of Trust, Grantor covenants and agrees to the following, and on presentation to Trustee of an affidavit signed by Beneficiary
setting forth facts showing Grantor's default of any of the following covenants and agreements, Trustee is authorized to accept as true and conclusive all facts and
statements therein, and to act thereon as provided hereinafter:

1. To keep the Property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and work-
manlike manner any building that may be constructed, damaged or destroyed thereon; to comply with all laws, regulations, covenants and restrictions affecting the
Property; not to commit or permit waste thereof; not to commit, suffer or permit any act on the Property in violation of law; to do all other acts which from the char-
acter or use of the Property may be reasonably necessary, the specific enumerations herein not excluding the general. If the contract secured hereby or any part
thereof is being obtained for the purpose of financing improvements to the Property, Grantor further agrees: (a) to commence construction of said improvements
promptly and to pursue the same with reasonable diligence to completion in accordance with plans and specifications satisfactory to Beneficiary, and (b) to allow
Beneficiary to inspect the Property at all times during construction.

2. To provide and maintain insurance against loss by fire and other such casualties as Beneficiary may require in an amount, for such term, and in company or
companies satisfactory to Beneficiary with loss payable clauses in favor of and in a form satisfactory to Beneficiary. In the event of loss or damage, Grantor shall
give immediate notice to Beneficiary. Beneficiary may make proof of loss and settle and adjust all claims thereunder, applying the proceeds at its option to reduc-
tion of the amount due hereunder or to the restoration or repair of the property damaged. Payments of such loss shall be made directly to Beneficiary. In the event
of the refusal or neglect of Grantor to provide insurance or to maintain the same or to renew the same in a manner satisfactory to Beneficiary, then Beneficiary may
itself procure and maintain such insurance and charge the cost thereof to Grantor under the provisions of paragraph 4 hereof.

3. To appear in and defend any action or proceeding purporting to affect the security hereof, the title to the Property, or the rights or powers of Beneficiary or
Trustee; and should Beneficiary or Trustee elect to also appear in or defend any such action or proceeding, to pay all costs and expenses, including cost of evi-
dence of title and attorneys' fees in a reasonable sum incurred by Beneficiary or Trustee.

4. To pay at least ten (10) days before delinquency all taxes, assessments and payments under any mortgage, Deed of Trust, real estate contract or other en-
cumbrance affecting the Property; to keep the Property free and clear of all other encumbrances, charges and liens impairing the security of this Deed of Trust; to
pay all costs, fees and expenses of this trust. Should Grantor fail to pay when due any taxes, assessments, insurance premiums, liens, encumbrances or other
charges against the Property hereinabove described, Beneficiary may pay the same, and the amount so paid, with interest set forth at the rate in the Contract se-
cured hereby, shall be added to and become a part of the debt secured in this Deed of Trust.

5. To pay all costs, fees and expenses in connection with this Deed of Trust, including the expense of the Trustee incurred in enforcing the obligation secured
hereby and Trustee's fees and attorneys' fees incurred by Beneficiary.

6. Not to voluntarily transfer or agree to transfer the Property, any part thereof or any interest therein, or any transfer of a beneficial interest in Grantor (if Grantor
is not a natural person), without first obtaining the prior written consent of Beneficiary, which consent Beneficiary may grant or withhold in its sole discretion. Any
such transfer, if Beneficiary shall not so consent, shall constitute a breach of Grantor's agreement and a default under the terms hereof and the Contract it secures.
"Transfer" includes, without limitation, sales under a land sale contract, assumptions of this Deed of Trust, and transfers by operation of law.

It is mutually agreed that:

7. In the event any portion of the Property is taken or damaged in an eminent domain proceeding, the entire amount of the award or such portion thereof as may
be necessary to fully satisfy the obligation secured hereby, shall be paid to Beneficiary to be applied to said obligation.

8. The Trustee shall reconvey all or any part of the Property covered by this Deed of Trust to the person entitled thereto on written request of the Grantor and the
Beneficiary, or upon satisfaction of the obligation secured and written request for reconveyance made by the Beneficiary or the person entitled thereto.

9. Upon default by Grantor in the payment of any indebtedness secured hereby or in the performance of any agreement contained herein, all sums secured
hereby shall immediately become due and payable at the option of the Beneficiary. In such event and upon written request of Beneficiary, Trustee or its authorized
agent shall sell the Property, in accordance with the Deed of Trust Act of the State of Washington, at public auction to the highest bidder. Any person except Trust-
ee may bid at Trustee's sale. Trustee shall apply the proceeds of the sale as follows: (1) to the expense of sale, including a reasonable Trustee's fee and attorney's
fee; (2) to the obligation secured by this Deed of Trust; (3) the surplus, if any, shall be deposited with the clerk of the superior court of the county in which the sale
took place to be distributed in accordance with RCW 61.24.080.

10. Trustee shall deliver to the purchaser at the sale its deed, without warranty, which shall convey to the purchaser the interest in the Property which Grantor
had or had the power to convey at the time of his execution of this Deed of Trust, and such as he may have acquired thereafter. The Trustee's deed shall recite the
facts showing that the sale was conducted in compliance with all the requirements of law and of this Deed of Trust, which recital shall be prima facie evidence of
such compliance and conclusive evidence thereof in favor of bona fide purchasers and encumbrancers for value.

11. The power of sale conferred by this Deed of Trust and by the Deed of Trust Act of the State of Washington is not an exclusive remedy; Beneficiary may cause
this Deed of Trust to be foreclosed as a mortgage.

12. The failure on the part of Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right, nor shall the acceptance of payment
of any sum secured hereby operate as a waiver of the right to require prompt payment of all other sums, and the waiver by Beneficiary of any default shall not con-
stitute a waiver of any other or subsequent default.

13. If Grantor applies to Beneficiary for consent to transfer the Property in the manner described in paragraph 6 above, then Beneficiary can consider the pros-
pective transferee as a new applicant for financing, taking into consideration all factors which it deems necessary to protect its security. As a condition of its con-
sent to transfer, Beneficiary may, in its discretion, impose an assumption fee in accordance with a schedule then in effect, and may increase the interest rate of
the remaining indebtedness to the prevailing rate for similar contracts at that time. Beneficiary may then increase the amount of each installment so that the con-
tract will be fully paid by the original maturity date. If Beneficiary consents to a transfer, that consent does not constitute a waiver of this section regarding subse-
quent transfers. Following a consent to transfer, Beneficiary may consent to modify other terms of this Deed of Trust or security agreement and contract.

14. For any reason permitted by law, Beneficiary may at any time appoint or cause to be appointed a successor trustee who shall succeed to all the title, powers, duties and authority of the trustee named herein or any successor trustee.

15. This Deed of Trust shall apply to, inure to the benefit of and bind all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. All obligations of Grantor hereunder are joint and several. The term "Beneficiary" shall mean the owner and holder, including any pledgee, of the Contract secured hereby. In this Deed of Trust, whenever the text so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

16. This Deed of Trust shall be construed according to the laws of the State of Washington.

17. The Grantor covenants and agrees to and with the Beneficiary and those claiming under him, that he is lawfully seized in fee simple of the Property and has a valid unencumbered title, except as otherwise disclosed to Beneficiary in writing, and that Grantor will warrant and forever defend said interest against all persons whomsoever.

IN WITNESS WHEREOF, the Grantor has caused these presents to be executed this 5 day of OCTOBER, 1987.
