being first duly sworn on oath, deposes and says: That she has performed labor and made improvements upon the following described mining claim, to-wit:

Two days of clearing access trail of Alder ( ONE MILE ) in July to gain entry to Mineral Claim "Margaret".

Digging, picking, sluicing, and panning Ore, at deposit sight.

situated in the Yellow Jacket District, Section 15, Township 10 North, Range 8 East, during the year ending the 1987 day of August 11th to 30th, 1987, for and on behalf of Margaret E. Peterson, the owner of said mining claim, in the sum and value of One-Hundred Dollars and More-----

----- Dollars (\$ 100.00 );  
that such labor and improvements consisted of ----- feet of shaft, ----- feet of tunnel, Cave & 65 feet of open cut.

This Mineral deposit lies along the McCoy stream and is interrupted every year by high water and the winter elements, therefore must be re-worked and re-arranged each year. This is the reason for doing my assessment work in August and September, the McCoy stream is at it's lowest level at that time of year.
