General Land Office

Washington D.C., October 14, 1877

It is hereby certified that the tracts of land embraced in this list aggregating one thousand five hundred and eighty five acres and ninety six hundredths of an acre (1585.76) were duly selected by the State of Washington, in part satisfaction of the grant thereto of 100,000 acres for the establishment and maintenance of a Scientific School, by section 17 of the act approved February 22, 1887, (25 U.S. Stat., 676); that the said tracts have been examined and compared with the township plat and tract books in this office, and have been found to be subject to selection, being surveyed, unreserved, and appropriated public lands of non-irrevocable character, within the limits of the State entitled thereto, and that the records of this office show said tracts to be free from any claim adverse to that of the State.

The quantity of lands heretofore certified to the State under this grant is 77,841.94 acres, which with the quantity embraced in this list aggregates 81,427.90 acres.
