The tracts of land in the foregoing list have been carefully examined and compared with the tract books and plats of this office, and found to be subject to selection by the State of Washington for the purposes stated, being surveyed, unreserved, unappropriated public lands of the United States within the limits of said State and free from adverse claims of record.

C. P. Holcombe, Examiner

Approved:

A. C. Emmell, Chief Div. J.

Mineral Division, December 1, 1900

This certifies that the tracts selected herein are not in conflict with mining claims of record in this office; that some of the tracts have been published under the mining regulations, that all mineral protests have been finally dismissed, and that the remaining tracts are not in townships containing mining claims of record.

Approved:

A. G. Potter,
Chief of Division.

C. A. Hollingsworth,
Examiner.

General Land Office,

Washington, D.C., Dec. 26, 1900.

It is hereby certified that the tracts of land embraced in the foregoing list, numbered 13, aggregating 36 1/2 acres were duly selected by the State of Washington in part satisfaction of the grant to said State of 100,000.00 acres made by the act of February 22, 1889 (25 Stat., 676) for the establishment and maintenance of a Scientific School, and that said tracts are surveyed, unappropriated public lands of the United States of non-mineral character and free from adverse claims of record.

The quantity of lands heretofore certified to the State under said grant is 81427.70 acres, which with the quantity embraced herein aggregates 85165.58 acres.

It is therefore recommended that the foregoing list be approved, subject to any interfering rights existing at date of selection.

Binger Hermann,
Commissioner.

J.P.

Department of the Interior,

January 3, 1901

The selection embraced in the foregoing list aggregating thirty six hundred and seventy seven acres and sixty eight hundredths of an acre are approved, subject to any valid interfering rights existing at date of selection.

E. H. Hitchcock,
Secretary.
