THIS AGREEMENT, made and entered into this 31st day of January, 1989, by and between PLUM CREEK TIMBER COMPANY, INC., herein called "Plum Creek," and STATE OF WASHINGTON, acting by and through the Department of Natural Resources, herein called "the State," WITNESSETH:

I

Thirty (30) days prior to any construction, reconstruction, or development, the State shall submit to Plum Creek, for written approval, a complete and detailed plan of operation for the development of the right of way. The State's operations specified hereinabove shall be conducted in accordance with the provisions of the approved Plan of Operation in force at the time of the commencement of said operations and the State shall provide for the examination of the right of way with Plum Creek's representative, before any construction, reconstruction, or development is commenced.
4. Plum Creek reserves for itself, its successors and assigns, the right at all times for any purpose, to cross and recross at any place on grade or otherwise, and to use said rights of way in a manner that will not unreasonably interfere with the rights granted to the State herein.
