acceleration of the maturity of any indebtedness owed by me at the time of my death, nor shall it be construed to require or authorize the prepayment of any indebtedness owed by me at the time of my death and not then due; but such prepayment of any indebtedness owed by me at the time of my death shall be solely at the discretion of my Personal Representative.

IV.

My Personal Representative shall have the authority and discretion to question the levy of any tax; to pay any such tax without questioning the propriety of such levy; or to litigate, compromise or settle any such tax. The determination of my Personal Representative, or her action in questioning, litigating, compromising, settling or paying any such tax, shall be binding upon all my heirs, devisees, legatees and beneficiaries under this, my Last Will and Testament.

V.

My Personal Representative, in her discretion, may arrange for extension of time for the payment of estate and inheritance taxes, or may postpone the payment of such taxes upon future interests until the time possession thereof accrues to the beneficiary or beneficiaries. Any interest or penalty incurred on those taxes, whether or not resulting from the extension or postponement, shall be paid as provided in this Will.

VI.

All the rest and residue of my property which I own at the time of my death, real, personal and mixed, tangible and intangible, of whatsoever nature and wheresoever located, including all property which I acquire or become entitled to after the execution of this Will, including all lapsed legacies

and devises, I give, devise and bequeath unto my beloved Wife, MARY JANE BONIN, if my spouse survives me by as much as thirty (30) days. In the event she predeceases me or fails to survive me by as much as thirty (30) days, then all the rest and residue of my property which I own at the time of my death, real, personal and mixed, tangible and intangible, of whatsoever nature and wheresoever located, including all property which I acquire or become entitled to after the execution of this Will, including all lapsed legacies and devises, shall be divided into as many equal shares as there are children of mine then living and children of mine then deceased with issue then living, and I devise and bequeath one share to each living child of mine and one share to the living issue, collectively, of each deceased child of mine, such issue to take by right of representation.

VII.

I hereby grant to my Personal Representative the continuing, absolute discretionary power to deal with any property, real or personal, held in my Estate as freely as I might in handling my own affairs. Such power may be exercised independently and without the prior approval of any judicial authority. My Personal Representative shall have, except as otherwise expressly provided herein, all the powers, duties, and responsibilities conferred upon personal representatives by the laws of the State of Alaska, as existing at the time of the execution of this Will and as those laws may be amended from time to time to enlarge the powers, duties, and responsibilities conferred upon my Personal Representatives.

VIII.

During the administration of my Estate, my Personal Representative may permit any beneficiary to have the use, possession and enjoyment, without charge, of any real estate or tangible personal property devised, bequeathed or ultimately distributable to said person so long as he lives; and if he dies before his right to said property becomes absolute, or before said property is distributed to him neither he nor his Estate shall be held liable for any loss, destruction, damage, depreciation or waste of said property except through the fault or neglect of the beneficiary. Neither the existence nor exercise of this power shall be deemed a constructive or actual distribution of the property to which it relates.

IX.

My Personal Representative shall not be liable for mistake of law or of fact, for errors of judgment, or for loss to any beneficiary hereunder or to any other person, except in the case of dishonesty, fraud or willful misconduct on the part of the Personal Representative to be charged.

X.

If, and in the event MARY JANE BONIN should resign, refuse to serve or otherwise fail to qualify as Personal Representative hereunder, or having qualified as Personal Representative, shall fail to continue serving for any reason, then DUSTE ED BONIN shall serve as substitute Personal Representative.

If, and in the event DUSTE ED BONIN should resign, refuse to serve or otherwise fail to qualify as Personal Representative hereunder, or having qualified as Personal Representative, shall fail to continue serving for any reason, then DARNAY COLEEN FRANCO shall serve as substitute Personal Repre-

sentative. If, and in the event the named Personal Representatives should resign, refuse to serve, or otherwise fail to qualify hereunder, or, having qualified as Personal Representative hereunder, shall fail to continue serving for any reason, then a new Personal Representative shall be named by the Presiding Judge of the Superior Court then sitting in Anchorage, Alaska, acting in his individual capacity. The qualification and appointment of the said successor Personal Representative shall be within the sole discretion and judgment of the said Presiding Judge.

XI.

The Personal Representative named in or appointed in connection with this Will shall not be required to furnish bond or other security.

The Personal Representative named herein, and all substitute Personal Representatives, shall be entitled to a reasonable compensation for their services and shall further be entitled to reimbursement for any reasonable expenses incurred on behalf of the administration of my Estate. These fees and expenses may be paid out of either the income or corpus of my estate.

XII.

If any of the provisions of this Will are held invalid, the invalidity of those provisions shall not affect any of the remaining provisions, it being my intention that each of the provisions shall be independent of each of the others, so that all valid provisions shall be strictly enforced, irrespective of the invalidity of any other provision.

Henry Bonin

Words of the masculine gender as used in this Will include the feminine and the neuter and, when the sense so indicates, words of the neuter gender may refer to any gender.

XIV.

If my Wife, all my lineal descendants and other persons who would be entitled to a portion of my estate by virtue of a provision of this Will predecease me or die prior to the expiration of any specified survival period, then all assets of my Estate held by my Personal Representative shall be distributed to those persons who would have inherited from me if I had died immediately after the death of my last surviving lineal descendant and my Wife in accordance with the laws of intestate succession then in effect in the State of Alaska.

XV.

Although my Wife and I are executing our respective Wills at or about the same time, they are not intended to be, and shall not be construed to be, contractual, even though certain provisions are reciprocal. Each Will shall be subject to revocation by its maker.
