Grantor presently assigns to Credit Union (also known as Beneficiary and Secured Noteholder) all of Grantor's right, title, and interest in and to all rents, revenues, income, issues, and profits (the "Income") from the Real Property described above.

Grantor grants Credit Union a Uniform Commercial Code security interest in the Income and in all equipment, fixtures, furnishings, and other articles of personal property owned by Grantor, now or subsequently attached or affixed to the Real Property described above, together with all accessions, parts, or additions to, all replacements of and all substitutions for any of such property, and together with all proceeds (including insurance proceeds and refund of premium) from any sale or other disposition (the "Personal Property"). The Real Property and the Personal Property are collectively referred to as the "Property".

Real Property

Grantor has borrowed from Credit Union, has guaranteed to Credit Union, or otherwise has agreed to provide the Property as collateral for a debt to Credit Union in the maximum principal amount at any one time of \$ 75,000.00. This amount is repayable with interest in accordance with the terms of a promissory note or other credit agreement given to evidence the debt, dated August 23, 1989, due not later than ten years from the date executed unless otherwise indicated.

The term "Indebtedness" as used in this Deed of Trust, shall mean the debt to Credit Union described above, including interest thereon as described in the note or credit agreement, plus (a) any amounts expended or advanced by Credit Union to discharge Grantor's obligations hereunder, and (b) any expenses incurred by Credit Union or Trustee to enforce Grantor's obligations hereunder, with interest thereon at the Note rate.

The promissory note or other credit agreement describing the repayment terms of the Indebtedness, and any notes, agreements, or documents given to renew, extend or substitute for the promissory note or credit agreement originally issued is referred to as "the Note". The rate of interest on the Note is subject to indexing, adjustment, renewal, or renegotiation.

The term "Borrower" is used in the Deed of Trust for the convenience of the parties, and use of that term shall not affect the liability of any such Borrower on the Note or create any legal or equitable interest in the Property in Borrower by reason of this Deed of Trust. Any Borrower who consigns this Deed of Trust, but does not execute the Note: (a) is consigning this Deed of Trust only to grant and convey that Borrower's interest in the Property to Trustee under the terms of this Deed of Trust, (b) is not personally liable under the Note except as otherwise provided by law or contract, and (c) agrees that Credit Union and any other borrower hereunder may agree to extend, modify, forebear, release any collateral, or make any other accommodations or amendments with regard to the terms of this Deed of Trust or the Note, without notice to that Borrower, without that Borrower's consent and without releasing that Borrower or modifying this Deed of Trust as to that Borrower's interest in the Property.

This Deed of Trust secures (check if applicable):

- ☒ **Revolving Line of Credit.** A revolving line of credit which obligates Credit Union to make advances to Grantor until the credit agreement is terminated, so long as Grantor complies with the terms of the credit agreement and this Deed of Trust. Funds may be advanced by Beneficiary, repaid by Grantor, and subsequently readvanced by Beneficiary. Notwithstanding the amount outstanding at any particular time, this Deed of Trust secures the total amount of the Note that is shown above. The unpaid balance of the revolving line of credit under the Note may at certain times be zero. A zero balance does not affect the Beneficiary's agreement to advance to the Grantor. Therefore, the interest of Beneficiary under this Deed of Trust will remain in full force and effect notwithstanding a zero balance on the Note. Any principal advance under the line of credit that exceeds the amount completed above as the principal of the Note will not be secured by this Deed of Trust.
- ☐ **Promissory Note.** A note under which the final payment of principal and interest will be due on or before _____.
- ☐ **Future Advances.** Indebtedness includes all loans of Beneficiary to Grantor, whether now existing or made later. This includes future loans in addition to the Note principal, up to a limit of \$ _____ However, no loan that would require providing a right of rescission being given to Grantor shall be secured by this Deed of Trust unless a right of rescission is in fact given to Grantor.

This Deed of Trust including the assignment of income and the security interest is given to secure payment of the Indebtedness and performance of all Grantor's obligations under this Deed of Trust and the Note and is given and accepted under the following terms:

- 1. Rights and Obligations of Borrower.** Borrower/Grantor has various rights and obligations under this Deed of Trust. These rights and responsibilities are set forth in the following paragraphs: 1.1. Payments and Performance; 2. Possession and Maintenance of Property; 3. Taxes and Liens; 4. Property Damage Insurance; 5. Expenditure by Credit Union; 7. Condemnation; 8.2. Remedies; 10.1. Consent by Credit Union; 10.3. Effect of Consent; 11. Security Agreement; Financing Statements; 14. Consequences of Default; 14.5. Attorneys Fees and Expenses; 16.2. Undership; Power of Attorney; 16.3. Annual Reports; 16.5. Joint and Several Liability; 16.8. Waiver of Homestead Exemption; and 17.3. No Modifications.
- 1.1 Payment and Performance.** Grantor shall pay to Credit Union all amounts secured by this Deed of Trust as they become due, and shall strictly perform all of Grantor's obligations.
- 2. Possession and Maintenance of the Property.**
- 2.1 Possession.** Until in default, Grantor may remain in possession and control of and operate and manage the Property and collect the Income from the Property.
- 2.2 Duty to Maintain.** Grantor shall maintain the Property in first class condition and promptly perform all repairs and maintenance necessary to preserve its value.
- 2.3 Nuisance, Waste.** Grantor shall neither conduct or permit any nuisance nor commit or suffer any strip or waste on or to the Property or any portion thereof including without limitation removal or alienation by Grantor of the right to remove any timber, minerals (including oil and gas), or gravel or rock products.
- 2.4 Removal of Improvements.** Grantor shall not demolish or remove any improvements from the Real Property without the prior written consent of Credit Union. Credit Union shall include all existing and future buildings, structures, and parking facilities.
- 2.5 Credit Union's Right to Enter.** Credit Union, its agents and representatives, may enter upon the Property at all reasonable times to attend to Credit Union's interest and to inspect the Property.
- 2.6 Compliance with Governmental Requirements.** Grantor shall promptly comply with all laws, ordinances, and regulations of all governmental authorities applicable to the use or occupancy of the Property. Grantor may contest in good faith any such law, ordinance, or regulation and withhold compliance during any proceeding, including appropriate appeals, so long as Grantor has notified Credit Union in writing prior to doing so and Credit Union's interest in the Property is not jeopardized. Credit Union may require Grantor to post adequate security reasonably satisfactory to Credit Union to protect Credit Union's interest.
- 2.7 Duty of Protect.** Grantor shall do all other acts, in addition to those set forth in this section, that from the character and use of the Property are reasonably necessary to protect and preserve the security.

2.8 Construction Loan. If some or all of the proceeds of the loan creating the indebtedness are to be used to construct or complete construction of any improvement on the Property, the improvement shall be completed within six months from the date of this Deed of Trust and Grantor shall pay in full all costs and expenses in connection with the work.

3. Taxes and Liens.

3.1 Payment. Grantor shall pay when due before they become delinquent all taxes and assessments levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of any liens having priority over or equal to the interest of Credit Union under this Deed of Trust, except for the lien of taxes and assessments not due, except for the prior indebtedness referred to in Section 17, and except as otherwise provided in Subsection 3.2.

3.2 Right to Contest. Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Credit Union's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within 15 days after the lien arises or, if a lien is filed, within 15 days after Grantor has notice of the filing, secure the discharge of the lien or deposit with Credit Union, cash or a sufficient corporate surety bond or other security satisfactory to Credit Union in an amount sufficient to discharge the lien plus any costs, attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien.

3.3 Evidence of Payment. Grantor shall upon demand furnish to Credit Union evidence of payment of the taxes or assessments and shall authorize the appropriate county official to deliver to Credit Union at any time a written statement of the taxes and assessments against the Property.

3.4 Notice of Construction. Grantor shall notify Credit Union at least 15 days before any work is commenced, any services are furnished, or any materials are supplied to the Property, if a construction lien could be asserted on account of the work, services, or materials, and the cost exceeds \$5,000 (if the Property is used for nonresidential or commercial purposes) or \$1,000 (if the Property is used as a residence). Grantor will on request furnish to Credit Union advance assurances satisfactory to Credit Union that Grantor can and will pay the cost of such improvements.

3.5 Tax Reserves. Subject to any limitations set by applicable law, Credit Union may require Borrower to maintain with Credit Union reserves for payment of taxes and assessments, which reserves shall be created by advance payment or monthly payments of a sum estimated by Credit Union to be sufficient to produce, at least 15 days before due, amounts at least equal to the taxes and assessments to be paid. If 15 days before payment is due the reserve funds are insufficient, Borrower shall upon demand pay any deficiency to Credit Union. The reserve funds shall be held by Credit Union as a general deposit from Borrower and shall constitute a non-interest bearing debt from Credit Union to Borrower. The reserve payment of the taxes and assessments required to be paid by Borrower as they become due, Credit Union does not hold the reserve funds in trust for Borrower, and Credit Union is not the agent of Borrower for payment of the taxes and assessments required to be paid by Borrower.

4. Property Damage Insurance.

4.1 Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard all-risk extended coverage endorsements on a replacement basis for the full insurable value basis covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a mortgagee's loss payable clause in favor of Credit Union. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Credit Union. Grantor shall deliver to Credit Union certificates of coverage from each insurer containing a stipulation that coverage will not be canceled or diminished without a minimum of 10 days' written notice to Credit Union.

4.2 Application of Proceeds. Grantor shall promptly notify Credit Union of any loss or damage to the Property. Credit Union may make proof of loss if Grantor fails to do so within 15 days of the casualty. Credit Union may, at its election, apply the proceeds to the reduction of the indebtedness or the restoration and repair of the Property. If Credit Union elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed improvements in a manner satisfactory to Credit Union. Credit Union shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default hereunder. Any proceeds which have not been paid out within 180 days after their receipt and which Credit Union has not committed to the repair or restoration of the Property shall be used to prepay first accrued interest and then principal of the indebtedness. If Credit Union holds any proceeds after payment in full of the indebtedness, such proceeds shall be paid to Grantor.

4.3 Unexpired Insurance at Sale. Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Deed of Trust at any trustee's or other sale held under the provision contained within, or at any foreclosure sale of such Property.

4.4 Compliance with Prior Indebtedness. During the period in which any prior indebtedness described in Section 17 is in effect, compliance with the insurance provisions contained in the instrument evidencing such prior indebtedness shall constitute compliance with the insurance provisions under this Deed of Trust to the extent compliance with the terms of this Deed of Trust would constitute a duplication of insurance requirements. If any proceeds from the insurance become payable on loss, the provisions in this Deed of Trust for division of proceeds shall apply only to that portion of the proceeds not payable to the holder of the prior indebtedness.

4.5 Association of Unit Owners. In the event the Real Property has been submitted to unit ownership pursuant to a Unit Ownership Law, or similar law for the establishment of condominiums or cooperative ownership of Real Property, the insurance may be carried by the association of unit owners in Grantor's behalf, and the proceeds of such insurance may be paid to the association of unit owners for the purpose of repairing or reconstructing the Property. If not so used by the association, such proceeds shall be paid to Credit Union.

4.6 Insurance Reserves. Subject to any limitations set by applicable law, Credit Union may require Borrower to maintain with Credit Union reserves for payment of insurance premiums, which reserves shall be created by monthly payments of a sum estimated by Credit Union to be sufficient to produce, at least 15 days before due, amounts at least equal to the insurance premiums to be paid. If 15 days before payment is due the reserve funds are insufficient, Borrower shall upon demand pay any deficiency to Credit Union. The reserve funds shall be held by Credit Union as a general deposit from Borrower and shall constitute a non-interest bearing debt from Credit Union to Borrower, which Credit Union may satisfy by payment of the insurance premiums required to be paid by Borrower. Credit Union does not hold the reserve funds in trust for Borrower, and Credit Union is not the agent of Borrower for payment of the insurance premiums required to be paid by Borrower.

5. Expenditure by Credit Union.

If Grantor fails to comply with any provision of this Deed of Trust, including the obligation to maintain the prior indebtedness in good standing as required by Section 17, Credit Union may at its option on Grantor's behalf take the required action and any amount that it expends in so doing shall be added to the indebtedness. Amounts so added shall be payable on demand with interest from the date of expenditure at the rate the Note bears. The rights provided for in this section shall be in addition to any other rights or remedies to which Credit Union may be entitled on account of the default. Credit Union shall not by taking the required action cure the default so as to bar it from any remedy that it otherwise would have had.

6. Warranty; Defense of Title.

6.1 Title. Grantor warrants that it holds marketable title to the Property in fee simple free of all encumbrances other than those set forth in Section 17 or in any policy of title insurance issued in favor of Credit Union in connection with the Deed of Trust.

6.2 Defense of Title. Subject to the exceptions in the paragraph above, Grantor warrants and will forever defend the title against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Credit Union or Trustee under this Deed of Trust, Grantor shall defend the action at Grantor's expense.

7. Condemnation.

7.1 Application of Net Proceeds. If all or any part of the Property is condemned, Credit Union may at its election require that all or any portion of the net proceeds of the award be applied to the indebtedness. The net proceeds of the award shall mean the award after payment of all reasonable costs, expenses, and attorneys' fees necessarily paid or incurred by Grantor, Credit Union, or Trustee in connection with the condemnation.

7.2 Proceedings. If any proceedings in condemnation are filed, Grantor shall promptly notify Credit Union in writing and Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award.

8. Imposition of Tax By State.

8.1 State Taxes Covered. The following shall constitute state taxes to which this section applies:

- A specific tax upon trust deeds or upon all or any part of the indebtedness secured by a trust deed or security agreement.
- A specific tax on a Grantor which the taxpayer is authorized or required to deduct from payments on the indebtedness secured by a trust deed or security agreement.
- A tax on a trust deed or security agreement chargeable against the Credit Union or the holder of the note secured.
- A specific tax on all or any portion of the indebtedness or on payments of principal and interest made by a Grantor.

8.2 Remedies. If any state tax to which this section applies is enacted subsequent to the date of this Deed of Trust, this shall have the same effect as a default, and Credit Union may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met:

- Grantor may lawfully pay the tax or charge imposed by the state tax, and
- Grantor pays or offers to pay the tax or charge within 30 days after notice from Credit Union that the tax law has been enacted.

9. Power and Obligations of Trustee.

9.1 Powers of Trustee. In addition to all powers of Trustee arising as a matter of law, Trustee shall have the power to take the following actions with respect to the Property upon the request of Credit Union and Grantor:

- Join in preparing and filing a map or plat of the Real Property, including the dedication of streets or other rights in the public.
- Join in granting any easement or creating any restriction on the Real Property.
- Join in any subdivision or other agreement affecting this Deed of Trust or the interest of Credit Union under this Deed of Trust.

9.2 Obligations to Notify. Trustee shall not be obligated to notify any other party of a pending sale under any other trust deed or lien, or of any action or proceeding in which Grantor, Credit Union, or Trustee shall be a party, unless the action or proceeding is brought by Trustee.

10. Transfer by Grantor.

10.1 Consent by Credit Union. Grantor shall not transfer or agree to transfer all or part of Grantor's interest in the Property without the prior written consent of Credit Union. Any attempt to transfer shall constitute a default under this Deed of Trust.

A "sale or transfer" means the conveyance of real property or any right, title, or interest therein, whether legal or equitable, whether voluntary or involuntary, by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three years, lease option contract, or any other method of conveyance of real property interest. If any Borrower is a corporation, transfer also includes any change in ownership of more than 25% of the voting stock of Borrower.

If Grantor or prospective transferee applies to Credit Union for consent to a transfer, Credit Union may require such information concerning the prospective transferee as would normally be required from the new loan applicant.

10.2 Condition to Consent. As a condition of its consent to any transfer, Credit Union may in its discretion impose an assumption fee in accordance with Credit Union's fee schedule then in effect, and may increase the interest rate of the indebtedness to the prevailing rate for similar rates then charged by Credit Union. Credit Union may increase the amount of each remaining installment so that the indebtedness will be fully paid by the original maturity date. In no event, however, shall the interest rate be increased, nor any fee imposed, beyond the maximum rate permitted under applicable law. This paragraph sets forth terms that Credit Union may impose as a condition to consent. This paragraph is not exclusive and Credit Union, at its sole discretion, may impose additional terms or may decline to consent to a transfer.

10.3 Effect of Consent. If Credit Union consents to one transfer, that consent shall not constitute a consent to other transfers or a waiver of this section. No transfer by Grantor shall relieve Grantor of liability for payment of the indebtedness. Following a transfer, Credit Union may agree to any extension of time for payment or modification of the terms of this Deed of Trust or the Note or waive any right or remedy under this Deed of Trust or the Note without relieving Grantor from liability. Grantor waives notice, presentment, and protest with respect to the indebtedness.

11. Security Agreement; Financing Statements.

11.1 Security Agreement. This instrument shall constitute a security agreement to the extent any of the Property constitutes fixtures, and Credit Union shall have all of the rights of a secured party under the Uniform Commercial Code of the state in which the Real Property is located.

11.2 Security Interest. Upon request by Credit Union, Grantor shall execute financing statements and take whatever other action is requested by Credit Union to perfect and continue Credit Union's security interest in the Income and Personal Property. Grantor hereby appoints Credit Union as Grantor's attorney in fact for the purpose of executing any documents necessary to perfect or continue this security interest. Credit Union may, at any time and without further authorization from Grantor, file copies or reproductions of this Deed of Trust as a financing statement. Grantor will reimburse Credit Union for all expenses incurred in perfecting or continuing this security interest. Upon default, Grantor shall assemble the Personal Property and make it available to Credit Union within three days after receipt of written demand from Credit Union.

11.3 Mobile Homes. If the Property includes mobile homes, motor homes, modular homes, or similar structures, such structures shall be and shall remain Personal Property or Real Property as stated above regardless of whether such structures are affixed to the Real Property, and irrespective of the classification of such structures for the purpose of tax assessments. The removal or addition of axles or wheels, or the placement upon or removal from a concrete base, shall not alter the characterization of such structures.

12. Reconveyance on Full Performance.

If Grantor pays all of the indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Deed of Trust and the Note, Credit Union shall execute and deliver to Trustee a request for full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file evidencing Credit Union's security interest in the Income and the Personal Property. Any reconveyance fee or termination fee required by law shall be paid by Grantor.

13. Default.

The following shall constitute events of default:

- Failure of Grantor to pay any portion of the indebtedness when it is due.
- Failure of Grantor within the time required by this Deed of Trust to make any payment for taxes, insurance, or for any other payment necessary to prevent filing of or to affect discharge of any lien.
- Dissolution or termination of existence (if Grantor is a corporation), insolvency, business failure, appointment of a receiver for any part of the Property of, assignment for the benefit of creditors by, the commencement of any proceeding under any bankruptcy or insolvency laws by or against, or the failure to obtain dismissal or deny the contents of any petition filed under any bankruptcy or insolvency laws within the time required to answer by, Grantor or any of the individuals or entities who are herein collectively referred to as "Grantor."
- Default of Grantor under any prior obligation or instrument securing any prior obligation, or commencement of any suit or other action to foreclose any prior lien.
