2) The said Grantor does further Declare that access to, and useage of, the described private roadway shall be equal among all of the owners of Lots 1,2,3 and 4 of said Short Plat, and such owners shall share equally the costs of maintaining said roadway in accordance with these declarations and Skamania County Ordinance No. 1986-02.

The roadway shall be maintained in at least as good a condition as the same is now; and, shall at all times be kept in as useable a condition as is practical. At a minimum the roadway shall have all potholes, ruts and gullies filled annually so as to prevent any substantial restriction of travel thereon, and to at all times keep the roadway in a safe and serviceable condition. In the event of a deadlocked vote upon any issue, then any landowner actually resident upon a parcel shall have one additional vote. If a deadlock shall still exist, each side shall appoint one non-affected individual as their representative and those two individuals shall select one

non-affected individual to act as an arbitrator of the issue. The arbitrator shall decide the issue using such procedures as (s)he shall deem appropriate, and the decision shall be final and binding upon all the landowners.

In the event of non-voluntary payment or other violation of the terms hereof by any lot owner, any other lot owner may bring suit for compliance; and, in addition to any other award, the prevailing party shall be entitled to judgment for all costs and expenses incurred including an award for reasonable attorney fees.

The terms of these Declarations shall be appurtenant to, and run with, the affected lots, and shall be binding upon any owner, heir, assignee or successor in interest to the affected lots.

In the event any term or condition of the Declarations contained herein shall be declared by a court of competent jurisdiction to be void, invalid or unenforceable, the remainder hereof shall be unaffected so long as the principal objective hereof can be accomplished.
