NOW, THEREFORE, THIS TWENTY-SECOND SUPPLEMENTAL INDENTURE WITNESSETH:

That the Company covenants and agrees with the Trustees and with the respective holders from time to time of the Bonds and coupons issued and to be issued under the Indenture as follows:

ARTICLE I

CREATION OF BONDS OF SERIES P

SECTION 1.01. There is hereby created a sixteenth series of Bonds to be issued under and secured by the Indenture to be known as "Consolidated Mortgage 8.15% Bonds, Series P, due 2020". The Bonds of Series P shall:

(1) be dated (a) in the case of coupon Bonds of Series P (hereinafter called "Coupon Bonds of Series P"), January 11, 1991, and (b) in the case of registered Bonds of Series P (hereinafter called "Registered Bonds of Series P"), the date of authentication;

(2) mature on January 1, 2020;

(3) bear interest at the rate of 8.15% per annum, payable semiannually on January 1 and July 1 of each year, hereinafter sometimes called an "Interest Payment Date", from (a) in the case of Coupon Bonds of Series P, the date thereof until payment of the principal amount thereof has been made or duly provided for, and (b) in the case of Registered Bonds of Series P, the Interest Payment Date next preceding the date of authentication thereof until payment of the principal amount thereof has been made or duly provided for except that: (i) any Registered Bond of Series P authenticated before July 1, 1991 shall bear interest from January 11, 1991; (ii) if the Company shall default or be in default in the payment of interest upon Bonds of Series P, such Registered Bonds of Series P shall bear interest from the date of the beginning of the period for which interest is so in default; and (iii) so long as there is no existing default in the payment of interest on the Bonds of Series P, any Registered Bond of Series P authenticated after the close of business on any Record Date, as hereinafter defined, with respect to any Interest Payment Date and on or prior to such Interest Payment Date shall bear interest from such Interest Payment Date;

(4) (a) in the case of Coupon Bonds of Series P or any coupon appertaining thereto, be payable only against surrender of such Coupon Bond of Series P or coupon to any paying agent located outside the United States as the Company may appoint from time to time. Such payments will be made, at the option of the bearer, by United States dollar check drawn on a United States dollar account or by payment to an account maintained by the payee with a bank located outside the United States. No payment in respect of a Coupon Bond of Series P or coupon will be made upon presentation of such Coupon Bond of Series P or coupon at any office or agency of the Company in the United States, nor will any such payment be made by transfer to an account, or by mail to an address, in the United States. Notwithstanding the foregoing, payments in respect of Coupon Bonds of Series P and coupons may be made at the Company's office or agency in the Borough of Manhattan, City and State of New York, if (i) payment of the full amount due is illegal or effectively precluded by exchange controls or other similar restrictions at all paying agents outside the United States and (ii) such payment is then permitted by United States law. The Company reserves the right at any time to vary or terminate the appointment of any paying agent and to appoint additional or other paying agents and to approve any change in the office through which any paying agent acts, provided that there will at all times be a paying agent in at least one city in a country (other than the United States) that is a member of the Organisation for Economic Co-Operation and Development;

(b) in the case of Registered Bonds of Series P, be payable as to principal and interest at the office or agency of the Company in the Borough of Manhattan, City and State of New York, in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts; provided that, unless other arrangements acceptable to the Corporate Trustee are made, interest will be paid by check to persons in whose names the Registered Bonds of Series P are registered;

(5) not be redeemable;

(6) not be entitled to any sinking fund;

(7) be issued as coupon Bonds in denominations of \$200, \$500 and \$1,000 and as registered Bonds without coupons in denominations of

\$200 and \$500 and any integral multiple thereof, the several denominations of registered Bonds without coupons being interchangeable in like aggregate principal amounts; and

(8) be limited (except as provided in Section 1.09 of the Indenture) in aggregate principal amount to \$31,688,000.

So long as there is no existing default in the payment of interest on Registered Bonds of Series P, the person in whose name any Registered Bond of Series P is registered at the close of business on any Record Date with respect to any Interest Payment Date shall be entitled to receive the interest payable on such Interest Payment Date notwithstanding any transfer or exchange of such Registered Bond of Series P subsequent to such Record Date. If and to the extent that the Company shall default in the payment of interest due on any Interest Payment Date with respect to any Registered Bond of Series P, such defaulted interest shall be paid to the person in whose name such Registered Bond of Series P is registered at the close of business on a subsequent record date established by notice given by mail, first-class postage prepaid, by or on behalf of the Company to the holders of Registered Bonds of Series P not less than 15 days prior to such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest. Notwithstanding anything to the contrary provided herein, interest shall accrue on the Registered Bonds of Series P from the Interest Payment Date on which the Company shall have defaulted in the payment of interest due on the Registered Bonds of Series P to the date such defaulted interest is paid at the rate of 8.15% per annum.

The term "Record Date", when used herein with respect to an Interest Payment Date, shall mean the December 15 or June 15 (whether or not a business day), as the case may be, next preceding such Interest Payment Date, except the Record Date with respect to the January 1, 1991 Interest Payment Date for any Registered Bond of Series P authenticated after December 15, 1990 but prior to January 1, 1991 shall, for purposes of the first payment of interest on the Registered Bonds of Series P, be the date of authentication. Default in the payment of interest means in this Section 1.01 failure to pay interest on the applicable Interest Payment Date disregarding any period of grace applicable under Section 7.01 of the Indenture.

SECTION 1.02. The Bonds of Series P shall not be redeemable.
