- b. One-half (1/2) of the fee for recordation of the real estate contract.
- c. One-half (1/2) of the fee for title insurance.
- d. One-half (1/2) of the fee to Kielpinski & Lourne, P.C.

Pro-Rated Items

8. The following shall be pro-rated as of the date of closing:

- a. 1991 Real Property Taxes
- b. Insurance, interest, mortgage insurance, water and other utilities constituting liens, if applicable.

9. The Purchasers assume and agree to pay before delinquency all taxes and assessments, including but not limited to any governmental improvement assessments or charges that may as between grantor and grantee hereafter become a lien on said real estate. Upon request by Sellers, Purchasers will show proof of said payments.

Inspection

10. The Purchasers agree that full inspection of said real estate has been made and that neither the Sellers nor their assigns shall be held to any covenant respecting the condition of any improvements thereon nor shall the Purchasers or Sellers or the assigns of either be held to any covenant or agreement for alterations, improvements or repairs unless the covenant or agreement relied on is contained herein or is in writing and attached to and made a part of this contract.

a. Purchasers are acquiring the property "as is" and Sellers make no representations or warranties except as to title as set forth herein. Without limiting the generality of the foregoing, Purchasers acknowledge that they have made their own independent investigation respecting the property and will be

relying entirely thereon and on the advice of any consultant they may retain. Purchasers may not rely upon any representation of any party whether or not such party purports to act on behalf of Sellers, unless the representation is expressly set forth therein or in a subsequent document executed by Sellers. All representations, warranties, understandings and agreements between Purchasers and Sellers are merged herein and shall not survive closing.

Taking

11. The Purchasers assume all risk hereafter placed on said real estate or of the taking of said real estate or any part thereof for public use and agree that any such taking shall not constitute a failure of consideration. In case any part of said real estate is taken for public use, the portion of the condemnation award remaining after payment of reasonable expenses of procuring the same shall be paid to the Sellers and applied as payment on the purchase price herein unless the Sellers agree in writing to allow the Purchasers to apply all or a portion of such condemnation award to the rebuilding or restoration of any improvements damaged by such taking.

Insurance

12. The Purchasers agree to keep any improvements or future improvements located on the property insured against loss or damage by fire, windstorm, and all other casualties covered by "all risk" or extended coverage endorsements available in the State of Washington in an amount equal to the full insurable value thereof, on the initial and renewal policy dates, with a company acceptable to the Sellers and with loss payable first to Sellers as their interest may appear, and to pay all premiums for such insurance and deliver all policies and renewals thereof to the Sellers. All such policies shall provide that they cannot be amended or canceled without ten (10) days written notice to Sellers.

Damage to or destruction of the property or any portion thereof shall not constitute a failure of consideration or provide a basis for the rescission of this contract, nor shall such circumstances relieve the Purchasers of their obligation to pay the remaining installment amounts when due. In the event of any failure of the Purchasers to obtain or timely pay any premiums for any insurance required by this paragraph, the Sellers may require the Purchasers to deposit with each installment amount an amount reasonably estimated by the Sellers to be necessary to discharge the next ensuing premiums for said policies, said estimates to be adjusted by the Sellers upon receipt of the premium invoices to reflect the actual amount of such liabilities.

Title Insurance

13. The Sellers have delivered, or agree to deliver within fifteen (15) days of the date of closing a purchasers' policy of title insurance in standard form, or a commitment therefor, issued by Skamania County Title Company, insuring the Purchasers to the full amount of said purchase price against loss or damage by reason of defect in Sellers' title to said real estate as of the date of closing and containing no exceptions other than the following:

- a. Printed general exceptions appearing in said policy form;
- b. Liens or encumbrances which by the terms of this contract the Purchasers are to assume, or as to which the conveyance hereunder is to be made subject, none of which for the purpose of this paragraph 13. shall be deemed defects in Sellers' title.

Deed

14. The Sellers agree, upon receiving full payment of the purchase price and interest in the manner above specified, to execute and deliver to Purchasers a statutory warranty fulfillment deed to said real estate, excepting any part thereof hereafter taken for public use, free of encumbrances except any that may attach after date of closing through any person other than the Sellers, and subject to the exceptions noted in Paragraph 13 hereof.

Possession

15. Unless a different date is provided for herein, the Purchasers shall be entitled to possession of said real estate on the date of closing and to retain possession so long as Purchasers are not in default hereunder. The Purchasers covenant to keep any improvements on said real estate in good repair, not to permit waste and not to use, or permit the use of, the real estate for any illegal purpose. The Purchasers covenant to pay all service, installation or construction charges for water, sewer, electricity, garbage or other utility services furnished to said real estate after the date Purchasers are entitled to possession.

Use of Premises

16. Purchasers covenant and agree to make or permit no unlawful, offensive or improper use of the premises or any part thereof.

Assignment

17. The rights hereby granted are personal to the Purchasers and Sellers' reliance upon Purchasers' ability and integrity is a part of the consideration for this contract. Neither this contract nor any interest therein, nor the possession of the property, may be assigned or transferred by Purchasers, nor shall Purchasers make or enter into any contract for the sale of the property or any interest therein, without the prior written consent of Sellers.

Default

18. In case the Purchasers fail to make any payment herein provided, the Sellers may make such payment, and any amounts so paid by Sellers, together with interest at the rate of 12% per annum thereon from date of payment until repaid, shall be repayable by Purchasers on Sellers' demand, all without prejudice to any other right the Sellers might have by reason of such default.

19. Time and the covenants of Purchasers are of the essence of this contract, and it is agreed that in case the Purchasers shall fail to comply with or perform any condition or agreement hereof or to make any payment required hereunder promptly at the time and in the manner herein required, the Sellers may at their option exercise any of the following alternative remedies upon giving Purchasers thirty (30) days written notice specifying the default and the remedy to be exercised should Purchasers fail to secure all defaults at the expiration of the 30-day period:

- a. **Suit for Delinquencies.** Sellers may institute suit for any installments or other sums then due and payable under this agreement together with any sums advanced by Sellers for and the amount of any delinquencies for items such as water assessments, taxes, insurance, payments and underlying obligations and lienable items, together with interest thereon at the rate of 12% per annum from the date each such payment was advanced or due, as the case may be.
- b. **Forfeiture and Repossession.** The Sellers may cancel and render void all rights, title and interests of the Purchasers and their successors in this contract

and in the property (including all of Purchasers' then existing rights, interests and estates therein and improvements thereon) by giving a Notice of Intent to Forfeit pursuant to RCW 61.30.040-070, and said cancellation and forfeiture shall become effective if the default therein specified has not been fully cured within ninety (90) days thereafter and the Sellers records a Declaration of Forfeiture pursuant to RCW 61.30.040-070. Upon the forfeiture of this contract, the Sellers may retain all payments made hereunder by the Purchasers and may take possession of the property ten (10) days following the date this contract is forfeited and summarily eject the Purchasers and any person or persons having possession of the said property by, through or under the Purchasers who were properly given the Notice of Intent to Forfeit and the Declaration of Forfeiture. In the event the Purchasers or any person or persons claiming by, through or under the Purchasers who were properly given the Notice of Intent to Forfeit and the Declaration of Forfeiture remain in possession of the property more than ten (10) days after such forfeiture, the Purchasers, or such person or persons, shall be deemed tenants at will of the Sellers and the Sellers shall be entitled to institute an action for summary possession of the property, and may recover from the Purchasers or such person or persons in any such proceeding the fair rental value of the property for the use thereof from and after the date of forfeiture, plus costs, including the Sellers' reasonable attorneys' fees.

- c. Specific Performance. Sellers may institute suit to specifically enforce any of the Purchasers' covenants hereunder.
- d. Property Rental. In the event this contract is forfeited as herein provided, or in any other manner permitted by law, or by mutual agreement of the Purchasers and Sellers, and the Purchasers shall thereafter remain in possession of the property beyond any period otherwise permitted by law, the Purchasers agree that they will occupy the property as a tenant at will, and the Purchasers shall be obligated to pay, and hereby promise to pay, during the period of such tenancy at will, a fair market rental in the amount then agreed to by the parties or, in the absence of such agreement or until such agreement is reached, an amount equal to two (2) times the installment amount as and when provided for in the specific terms hereof, and the Sellers shall have, in addition to all other remedies for the collection of rentals and the recovery of possession that are available to landlords under the laws of the State of Washington, the right to institute an action for summary possession of the property as provided by law.

20. a. In the event Sellers should default in any of their obligations under this contract and such default continues for fifteen (15) days after the Purchasers give the Sellers written notice specifying the nature thereof and the acts required to cure the same, the Purchasers shall have the right to specifically enforce this contract, institute suit for their damages caused by such default, or pursue any other remedy which may be available to Purchasers at law or in equity.

b. The waiver of Sellers to elect to pursue any of the above remedies at any time upon a breach of any of the terms of this contract by the Purchasers shall be deemed only an indulgence by the Sellers with regard to that particular breach and shall not

be construed, in any manner whatsoever, to be a waiver of any right of Sellers to pursue any of the above remedies for the same or a different breach at a subsequent time; election of the Sellers to utilize any particular remedy to enforce a breach of this contract shall not preclude Sellers from electing to use an alternate remedy to enforce a subsequent breach. The remedies stated herein are cumulative and not mutually exclusive. Any delay or failure of Sellers to take action upon default shall not be construed as a waiver of said default. If Sellers are required to institute legal action to enforce any of the remedies indicated, Purchasers agree to pay Sellers' costs and reasonable attorneys' fees incurred in such proceeding and any appeal thereof.

The defaulting party hereby promises to pay all costs and expenses so incurred by the nondefaulting party, including, without limitation, court costs, notice expenses, title search expenses, and reasonable attorneys' fees (with or without arbitration or litigation). In the event either party hereto institutes any action to enforce the provisions of this contract, the prevailing party in such action shall be entitled to reimbursement by the losing party for its court costs and reasonable attorneys' fees, including such costs and fees as are incurred on appeal. All reimbursements required by this paragraph shall be due and payable on demand, may be offset against any sum owed to the party so liable in order of maturity, and shall bear interest at the default rate from the date of demand to and including the date of collection or the due date of any sum against which the same is offset.
