*[Handwritten Annotations on Map Grid: A vertical rectangle is drawn across the SE/NE and NE/SE sections. It is labeled "Big Daddy II" vertically. To the right of the rectangle, the text "Brown & Livingston" is written vertically. In the SE/NE section, the number "8" is written. In the NE/SE section, the number "1" is written. A small area in the SE/NE section is labeled "Granite Cr." with a small circle around it.]*

When drawing your claim(s) use an ordinary ruler. 1/8th of an inch would be 100 feet so a full size lode (600' x 1500') would be 3/4" by 1 7/8". A full size placer (1320' x 660') would be 1 5/8" by 13/16".
