Dear Sir:

Re: Extension of Temporary Deferment
of Assessment Work

In accordance with Title 30, U.S.C., Mineral Lands and Mining, as set forth in Paragraph 288, Duval Corporation requests that the Temporary Deferment of Annual Assessment Work granted on 24 September 1980 be extended.

This extended deferment is requested because the closing of the area in the vicinity of active volcano Mount St. Helens has not been rescinded by the U.S. Forest Service.

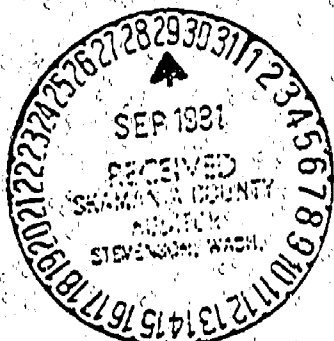

Duval Corporation requests of the Secretary of the Interior that the deferment of Annual Assessment Work granted last year be extended to 31 August 1982.

Sincerely,

DUVAL CORPORATION
