

11/25

Dear Arthur -

Please be advised that the address
kittens I returned from your office
recently will be credited to your
acct. You should get a confirmation
of this from Dick Murray.

The 3 Olympia Typewriter Kittens
will be charged separately on our
invoice # ST 20925. Seems the way
my company wants the matter
handled, so I'm hoping it will be
no inconvenience to you.

Best Regards,

John Law
