

Elizabeth & Hugh Lusk with Oregon Lumber Co.

Agreement.

This is to certify that I have this day sold to Oregon Lumber Co., all merchantable timber of the North Eighty of my Homestead No 8957 in Skamania County, Wash- ington. Such timber is to be paid for at the rate of 25 cents per M. Ft. If parties can agree on an estimate of the timber on land described, payment in full is to be made within thirty days after such estimate is agreed on. If the timber is not estimated, but scaled, then such timber as is sawed into lumber in any one month is to be paid for on or before the 20th of the month following. In consideration of the above agreement, the Oregon Lumber may proceed to build road or roads with which to get this timber to their mill - such rights of way as they may need being granted without further compensation than the 25 cents per M. Soon as Final Proof is made Bill of Sale is to be given Oregon Lumber Company, covering the timber on land previously described either on Estimated or Scale basis.
