W. H. M. Lauman & E. A. Frosh, J. R. Welty, J. M. Kepner et al.

This Agreement, made and entered into between W. H. M. Lauman, of Lewis County, state of Washington, party of the first part, and E. A. Frosh, J. R. Welty, J. M. Kepner, C. I. Somerville, David Okwari, and W. A. Reynolds, parties of the second part, of Lewis County, Washington, Witnesseth:

That whereas, the party of the first is the undisputed owner, and locator of the following, described mining claims: that certain claim known as "uniata", location notice of which is recorded in Book Miscellaneous Records, Auditor's office of Kamania County, Washington, page 177; Angelus, location notice of which is recorded in said Auditor's office, Book Miscellaneous records, page 176; Luzette, location of which is recorded in said Auditor's office in Book of Miscellaneous records, page 309; also amended location notice of first mentioned claim is recorded in

Book A. Mineral Locations, said office, page 260, and amended location notice of second claim above described, recorded in said office in Book A Mineral Locations, page 259:

And whereas the party of the first part is desirous of securing money with which to develop the said claims:

Now Therefore, in consideration of the sum of Three hundred and twenty dollars to be paid by the parties of the second part, - that is to say, - the sum of \$53.33 each in manner hereinafter set forth, the party of the first part agrees:

First. That he will for the said sum of \$320 run an open cut and tunnel on the ledge of claim first above described, i.e. the Juniata claim at the present working, beginning at the perpendicular face of said working and running forty feet on the ledge, six feet high, and five feet wide, the tunnel to be constructed in a workman like manner; work is to be begun as soon as same can be done to advantage, and to be completed on or before November 1st, 1901.

Second. That the party of the first part, his heirs or assigns, will give to the parties of the second part, or either of them, as they may agree, an optional interest in said mines:

1st. Upon payment of fifteen hundred dollars, by the parties of the second part, or any one or more of them, in actual development work on the lead, or leads of the said claims, which constitute a group of claims, one extending the other, the party of the first part his heirs and assigns, agree to convey to the parties of the second part, or any one or more of them or their assigns, according to the payment made by them of said fifteen hundred dollars, the undivided one half interest in said claims, and each of them. The \$320 is to be a part of said \$1500 if the above option is accepted, or

2nd. When the said forty feet of development work shall have been done for the year 1901 as aforesaid, the parties of the second part, or any one or more of them, as may be agreed, may organize a corporation for the purpose of obtaining title to and developing the said claims, in which the party of the first part will join as organizer. The company to be stocked on the following basis: The capital stock is to be \$1,000,000, divided into 1,000,000 shares; of the par value of \$1.00 per share; 500,000 shares are to be set aside as treasury stock to be sold, and proceeds used in developing the mines, or so much thereof as may be necessary to make said claims self sustaining.

from sales of ore; 320,000 are to be issued to the party of the first part, his heirs or assigns in consideration of the transfer by him of the title to said claims to the corporation to be so organized; 180,000 is to be issued to the said parties of the second part, their heirs or assigns, or to such of them as pay in the aforesaid sum of \$320. pro rata. The expenses incident to the formation of said corporation is to be borne by the promoters of said corporation proportionately to the stock issued to them respectively.

It is understood and agreed that the party of the first part is to be paid for running the said tunnel on each estimate of five feet or multiple thereof at the rate of eight dollars per linear foot of open cut or tunnel run. David Stewart is to be the disbursing agent of the said \$320 and the money necessary to be paid for said tunnel work is to be paid to him as needed.

It is further understood that the parties of the second part are to decide which of the two options aforesaid they desire to avail themselves of by June 1st, 1902. In case the first one of the options set forth aforesaid is accepted the parties of the second part, or their heirs or assigns are to pay for development work on said claims the sum of \$320 per year until the full sum of \$1500 is paid. Said yearly pay. amounts are to be made and the development work performed at such time of year as the work can best and most economically be done, and when to the best advantage, and such development work is to be done in best and cheapest manner to obtain best results.

In witness whereof the said parties of the first and second part hereunto set their hands this 20th day of June, 1901.
