

State of Washington to Washougal Gold & Copper Mining Co.

Original.

State of Washington, County of Thurston, ss.

This Indenture, made this 26th day of December 1902 by and between the State of Washington, of the first part, and Washougal Gold & Copper Mining Company of the second part, hence. Whereas, That the State of Washington does hereby lease, demise and let unto the said Washougal Gold & Copper Mining Company the following described State land situated in said State, county of Thurston and more particularly described as follows, to wit: Commencing at the southwest corner of Wizard No. 1 claim, thence south 45° east 1500 feet; thence north 70° east 600 feet, thence north 45° west 1500 feet; thence south 70° west to point of beginning, all in section 14, Township 3 north, range 5 east of the Willamette Meridian, as the same is described in Application Number 89. The State however does not guarantee the correctness of said location. This lease is intended to cover the mining claim known as "Starkes No. 1." To have and to hold unto the use of the said party of the second part for the term of two (2) years for the purpose of developing any mineral that may be contained upon said described premises and upon the terms and conditions hereinbelow set up. The lessee herein may cut and use the timber found in said premises for fuel and construction of buildings required in the operation of any mine or mines on the premises, also the timber necessary for doors, tramways and supports for such mine or mines and for no other purpose. The lessee herein may not sublet the above described premises or transfer the possession thereof to any other party without the consent of the said party of the first part by its Commissioner of Public Lands in writing first had and obtained. It is agreed further that at any time prior to the expiration of said lease, the lease holder, or any assignee thereof, shall have the right to obtain from the said Commissioner of Public Lands a contract which shall bind the State of Washington, as the party of the first part, and the person, persons or corporation to whom said contract shall issue, as the party of the second part, in a mutual observance of the obligations and conditions as specified therein. That the lessee herein may proceed to develop any mine or mines found on the above described premises provided that no more than five (5) tons of ore shall be removed therefrom for smelting or testing purposes until a contract as above described shall have been executed. It is agreed by the lessee that a breach of any of the conditions herein contained, or the doing of any act hereinbefore prohibited shall work a forfeiture of all his rights under said lease, and that this lease may thereupon be canceled by the said party of the first part. Executed in duplicate this day and year above written.
