17 December 1985

Skamania County Assessor  
Skamania County Courthouse  
Stevenson, Wa. 98648

This is written as a follow up to a personal visit that I made to your office on 16 December 1985 reference Tax Parcel # 02 05 29 0 0 0500. This parcel is currently shown as 1.04 acres.

By this letter I am requesting that this parcel be discontinued as a separate Tax Parcel and included with the larger parcel that surrounds it that is classified as a timberland parcel.

The history of this classification goes back to the time when we purchased the property in 1974. At that time we indicated approximately 6 acres was homesite and the remainder was timberland. In 1976 we short platted the homesite into two lots of 2.0 acres and 2.96 acres. The remaining 1.04 was left sort of in limbo as it was not lotted and we did not request that it be included with the larger parcel as timberland. We now request that it be included with that larger parcel as timberland.

The two lots are now owned by James & Linda Peters as shown on your records.

Sincerely

  
R. Robert Burns
