## 1. History of Corner Establishment and Subsequent Restoration:

The concrete monument shown in the diagram below was set at that time. The corner has been used by various surveyors since that time for various projects. On August 16, 1988, R. Bogdon (from HAMPSTUR CORP.), found and referenced the corner while working on a "corner restoration" project for PLUM CREEK TIMBER COMPANY, under the direction of C. Hampton, PLS #18,087. Refer to the diagram below for references made at that time.
