SEGREGATED SURVEYS:

CORNER CODE NO. E-3

NAME: North Quarter Corner of Section 7 CORNER NO. \_\_\_\_\_

## 1. HISTORY OF CORNER ESTABLISHMENT:

Corner post set originally by Van Fleet and Newson in 1860 under GLO  
 Contract No. 47 from which bears:

 8" chittum, N 10° W, 5 links

## 2. SUBSEQUENT RESTORATION AND DESCRIPTION OF EVIDENCE FOUND, MONUMENT, ACCESSORIES AND COROLLARY DATA TO PERPETUATE THIS CORNER LOCATION:

We find no official recovery data in the Skamania County road records. This point was reportedly re-established by Seymour Hall, a previous Skamania County Engineer. It is marked with a concrete monument with brass cap stamped "T1N, R5E, W.M.", "1/4", "6/7", "Hall & Klum, June 1926". This point is approximately at the "PI" of the Belle-Center Road where the Hudson Road stubs to the South and has been accepted and used as the quarter corner for approximately 65 years.
