DURABLE POWER OF ATTORNEY

I, Wade Avis Coates, being conscious of my need for assistance in management of my affairs and being in failing health, do hereby make and constitute my son, Jimmy V. Coates, as my attorney in fact; to act in my place and stead with regard to all matters that I might otherwise do for myself. I do authorize him, to transact any and all business in my name; to sign any documents that relate to my properties, both real and personal, including therein the right to sell, give, or otherwise convey any real property, accounts, or personal property in which I may have an interest.

It is my intention that this power of attorney be of continuing duration and that it's powers and authorities continue to be in effect even in the event I should become mentally incompetent to grant other powers, or withdraw these powers.
