I, Milton Mitchek, the undersigned, hereby declare and duly affirm the following:

That I am of Lawful age and otherwise competent to make this Affidavit of Affirmation.

That on July 13, 1990, Ted Youngquist (Youngquist Mine Development, Inc.) created a default and breach of assignment of Lease Agreement and addendum thereto by non payment due July 12, 1990.

That during the following 90 days Affiant attempted, in good faith, to allow Youngquist to extend his payment schedule for additional consideration, however, promises by Youngquist to make payments as agreed and in a timely fashion were not forthcoming or executed as stated.

That during the time period from July 13, 1990 through October 26, 1990 countless telephone conferences between the Affiant and Youngquist failed to resolve Youngquist's default and breach and further demonstrated Youngquist's inability to keep his word and fulfill his promises.

That on October 26, 1990 Affiant notified Youngquist by Certified Mail. (Exhibit A attached hereto, made part of, as though fully set forth herein of his default.)

That on November 30, 1990 Affiant again notified Youngquist by Certified Mail. (Exhibit B attached hereto, made part of, as though fully set forth herein.)

That as of this date Affiant has properly, timely, fully notified and served notice to Youngquist of his default and breach and all grace and redemption periods have expired forever pursuant to the Lease Agreement dated February 4, 1983 and addendum to Lease Agreement dated October 24, 1986. (Exhibit C and D attached hereto, made part of, as though fully set forth herein.)

That as of this date Affiant demands delivery in compliance of Exhibit A, B, C, and D attached hereto.

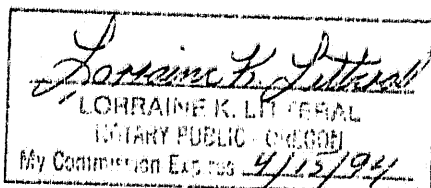

I hereby attest that what I have stated is true to the best of my knowledge and belief and, as to those matters based on belief, I believe them to be true. **AFFIRMED:**
