PROVISIONS

"The instantaneous amount of water granted under this water right is a maximum limit that shall not be exceeded. Water availability under this authorization is subject to natural fluctuations and may not provide a continual year-round supply."

At such time that the Department of Ecology determines the regulation and management of the subject waters is necessary and in the public interest, an approved measuring device shall be installed and maintained in accordance with RCW 90.03.360 and WAC 508-64-020 through -040.

Unofficial Copy

The right to the use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.020.

This certificate of water right is specifically subject to relinquishment for nonuse of water as provided in RCW 90.14.180.

Given under my hand and the seal of this office at Olympia, Washington,

this 25th *day of* may, *19* 94.
