5. **LIENS, CHARGES AND ASSESSMENTS:** Purchaser shall pay, before a delinquency of any debts secured thereby, all liens, charges or encumbrances hereafter lawfully imposed on the property, assumed by purchaser in this contract or subject to which this purchase and sale is made; and shall not allow any part of the property to become subject to liens, charges or encumbrances having priority over the rights of seller in the property. Notwithstanding anything to the contrary provided above in this paragraph, purchaser shall not be responsible for any liens or encumbrances (or payment of the obligations secured thereby) imposed upon said property subsequent to the date of this contract by or through seller unless such liens, encumbrances or obligations are expressly assumed by purchaser.

6. **EXISTING MORTGAGE OR SECURED OBLIGATIONS:** Unless otherwise provided herein, if there is a mortgage or other secured obligation on the property, seller shall keep the same current at all times, satisfy the same of record upon or prior to satisfaction of this contract, and indemnify, defend and hold purchaser harmless with regard thereto. If seller fails to make any payment thereunder, purchaser may do so and, at purchaser's election (a) receive credit therefore against the next due payments herein, or (b) demand reimbursement from seller, together with interest thereon at twelve (12%) percent per annum, and to institute suit to collect the same.

7. **CONDITION OF PREMISES, UPKEEP AND CROPS:** Purchaser shall maintain the property and all improvements now or later placed on the property in a good state of repair, shall not make any material alterations without the written consent of seller and shall not allow or commit any waste. In addition to the general requirement imposed by this paragraph concerning avoidance of waste, Purchasers shall be required to specifically abstain from the following acts: (a) No unreasonable noise; (b) no debris or litter accumulation; (c) buildings shall be neat appearing and maintained; (d) no excessive speed on access roads and all other roads; (e) Purchasers assume and agree to all covenants and restrictions or comments contained on the short plat of the entire subdivision of which Purchaser's lot is one parcel.

8. **USE OF THE PROPERTY:** Purchaser shall not make nor allow any unlawful use of the property.

9. **SPECIAL CONDITION: (VOLCANO RISK)** Purchasers have been advised and acknowledge that the property they are purchasing is close to Mt. St. Helens which is an active volcano. They understand that the property they are purchasing was within what is known as the "Red Zone" when Mt. St. Helens was in an eruptive volcanic state. They have been advised and they understand that during the last substantial volcanic activity concerning Mt. St. Helens, the property they are purchasing was inaccessible due to the state and/or federal restrictions on access and they understand that the property has experienced a substantial amount of ashfall during the last serious eruption. Purchasers waive all action of every type whatsoever against Sellers as a result of every type of hazard exposure due to the proximity of Mt. St. Helens is not the first time the mountain has erupted and according to scientific data, the likelihood of future eruptions continues to exist.

10. **INSURANCE:** Purchaser shall insure with companies satisfactory to seller the buildings now or hereafter placed on the property and any personal property included in this contract in the sum of not less than its full insurable value, with loss thereunder payable first to any mortgagee who is to purchaser, as their respective interests may appear. The policy shall be held by seller or mortgagee.

In the event of destruction of or damage to any of said buildings or personal property and the collection of insurance during the life of this contract, the money received on said insurance may, at the option of purchaser, be used in restoration of said improvements, provided, that purchaser is not at the time in default under the provisions of this contract, and subject to the terms of any mortgage on the property. If purchaser fails to procure insurance, seller may, at seller's option, forfeit this contract for the failure of purchaser to procure insurance.

11. **CONDEMNATION:** If the property or any part shall be taken and condemned, such taking shall not be a ground for rescission of this contract. The award made for the taking shall be deemed to be the property of purchaser, but shall be paid to seller to apply upon the purchase price, not exceeding any amounts then unpaid hereunder.

12. **ZONING:** It is understood that the seller has made no representations about the zoning of the subject property and has no duty to obtain a change in zoning law presently applicable to the property sold. Purchaser assumes full responsibility for examining the applicable zoning codes regarding the subject property and making its own determination as to whether or not their intended use is permitted under existing zoning.

13. **ASSIGNMENT OR TRANSFER:** The purchaser shall not assign this contract without the written consent of the seller. The seller shall not unreasonably withhold such consent; and, once given, such consent shall not waive the requirements of this paragraph as to any subsequent assignment of this contract.

14. **DESTRUCTION OF PROPERTY:** In the event of damage to or destruction of any buildings or improvements upon the property, such damage as between the parties shall be the loss of purchaser and shall not be a ground for rescission of this contract or abatement of purchase price.

15. **DEED:** When purchaser has fully performed this contract seller shall execute and deliver to purchaser a statutory warranty deed conveying the property free and clear of all encumbrances except any encumbrances agreed to by purchaser. Warranties of seller are limited to the date of this contract except for affirmative acts of seller thereafter.

16. **REMEDIES:** Time is of the essence of this contract. If the purchaser fails to make any payment or perform any obligation hereunder, seller shall be entitled to exercise all rights and remedies as allowed by law or equity, including the right to elect one or more of the following remedies:

a. To forfeit this contract under Ch. 61.30 RCW, in which event, without limiting any remedies of seller as provided by the said statute, all right, title and interest of purchaser and parties claiming an interest in the real and/or personal property subject to this contract shall be cancelled and terminated; all prior payments shall be retained by the payee thereof; all improvements and unharvested crops shall be forfeited; and seller shall be entitled to possession of the real and/or personal property, which right may be enforced under the provision of Ch. 59.12 RCW.

b. To declare all amounts payable under this contract immediately due and payable and institute suit to collect such amounts, together with reasonable attorneys' fees provided if within thirty (30) days after commencement of such action, purchaser cure the default(s) and pays to seller, seller's actual attorneys' fees incurred and other taxable costs of suit, this contract shall be reinstated.

c. To commence an action for the collection of past due payments or obligations arising prior to the date of judgement.

d. To commence an action for specific performance of purchaser's obligations under this contract (including redress by either a mandatory or prohibitive injunction).

e. If purchaser is in default under this contract and abandons the real and personal property, if any, subject hereto, pending the exercise of other rights or remedies as provided for herein, seller may take immediate possession of the real and/or personal property for the purpose of preserving or otherwise protecting the property from loss, damage or waste.

17. **NON-WAIVER:** Failure of seller to insist upon strict performance of purchaser's obligations hereunder (e.g., accepting late or partial payments) shall not be construed as a waiver by seller of strict performance thereafter of all of purchaser's obligations hereunder and shall not prejudice seller's remedies as provided herein or by law or equity.

18. **VENUE:** If either party commences an action to enforce rights under this contract, venue of such action, at the option of seller, shall lie in Skamania County, Washington.

19. **ATTORNEYS' FEES/COSTS:** In the event of a lawsuit between the parties to this contract, the prevailing party shall be entitled to recover judgement against the other party for reasonable attorneys' fees and costs (including title and lien searches) either at trial or on appeal. If either party exercises any non-judicial right or remedy to enforce such party's rights hereunder, it shall be a condition for the cure of the default that the defaulting party pay the non-defaulting party's reasonable attorneys' fees incurred and all reasonable costs, including costs of service of notices and title and lien searches. Failure to pay such costs and reasonable attorneys' fees shall constitute an event of default under this contract.

20. **BINDING EFFECT:** This agreement shall be binding upon and shall inure to the benefit of the legal representatives and property assigns and successors of the parties.

21. **NOTICES:** It is expressly agreed between the parties that notices concerning default, acceleration, forfeiture and default for failure to pay taxes, insurance, fees or assessments, of any type whatsoever, shall be sent by registered mail, to Purchasers as follows:

Howard & Debra K. Rogers  
31505 Healy Road  
Amboy, WA 98601

Purchasers shall be deemed to have received said notice upon proof of sellers of having posted said notice by registered or certified mail.

22. **PAYMENTS:** All payments of any type whatsoever, shall be made to Sellers at P. O. Box 4044, Vancouver, Washington 98662, or such other address as Sellers may later provide to Purchasers so long as Sellers notification is in writing and given within 10 days of the time any payment is due.

23. **LATE PAYMENT CHARGE:** All payments called for in this agreement shall be made on or before the 1st day of each month and any payment not made within the 5th day of the month shall be deemed a late payment. The charge for failing to pay the payment on time, or within the grace period provided, shall be \$10.00 for each month during which the payment is late.
