Skamania County Assessor

Mr. Gary H. Martin Skamania County Assessor P.O. Box 790 Stavenson, WA 98648

Dear Gary:

We have been updating our long term property and forestry plans and would like to request some changes to our county property classifications on parcel# 03 08 28 0 0 0201 00, taxpayer# 39850.

We plan to keep twenty acres of the parcel out of the timber program as indicated by the map enclosed. This acreage is not suitable for harvesting because of it's terrain and the portion within the twenty acres on the flat to the north has been harvested.

We request that you classify the remaining property of this parcel to timberland as we are actively managing this timberland and as we do any harvesting we plan to interplant to maintain it as timberland.

Should you have any questions please call us at 427-8385.

Sincerely,

John F. Peyrollaz, Trustee
