Skamania County Assessor

This request for removal includes  all  part of the property originally classified/designated as forest land.

The land was classified/designated as forest land on 1975 and the approved application was filed under County Auditor's Record No. Book E Page 738.

I declare that I am aware of the liability for removal from classification or designation to the following extent:

1. Cost of filing the Request for Removal of the land with the County Auditor; and
2. Payment of a compensating tax equal to the difference between the amount of the assessed valuation on such land as forest land and the amount of the new assessed valuation of the land, multiplied by the dollar rate of the last levy extant paid against the land, multiplied by the number of years (not to exceed 10) the land was assessed as forest land.

I understand that the compensating tax and applicable interest becomes a lien on the land until fully satisfied.
