Administrative Decision

APPLICANT: Ken & Carla Cosentino

PROPERTY OWNER: Ken & Carla Cosentino

FILE NO.: NSA-03-16

PROJECT: Re-grade and black top existing driveway, re-roof existing shed and extend roofline for new carport (16' x 15.5' x 14'), replace existing stone steps and extend existing 12"-18" wall around existing parking spot south of shed, change slope and extend existing north landing (will be graveled) westward approx. 500 sq. ft. (move 350 cubic yards of material), replace existing drainage ditch with buried 8" drain pipe covered by drain rock, and replace existing water bar with catch basin and 6" pipe.

LOCATION: Off of Nelson Creek Road; Section 36 of T3N, R7½E, W.M. and identified as Skamania County Tax Lot #03-75-36-4-0-0201-00.

LEGAL: See attached Pages 5&6.

ZONING: General Management Area-Residential (R-5).

DECISION: Based upon the record and the Staff Report, the application by Ken & Carla Cosentino, described above, **subject to the conditions set forth in this Decision**, is found to be consistent with SCC Title 22 and is hereby approved.

Although the proposed development is approved, it may not be buildable due to inadequate soils for septic and/or lack of potable water. These issues are under the jurisdiction of Skamania County's Building Department and the Skamania County Health Department.

Approval of this request does not exempt the applicant or successors in interest from compliance with all other applicable local, state, and federal laws.

CONDITIONS OF APPROVAL:

The following conditions are required to ensure that the subject request is consistent with Skamania County Code Title 22. **This document, outlining the conditions of approval, must be recorded by the applicant in the deed records of the Skamania County Auditor** in order to ensure notice of the conditions of approval to successors in interest. SCC §22.06.050(C)(2).

- 1) As per SCC §22.06.050(C)(2), this Administrative Decision **SHALL BE RECORDED** by the applicant in the County deed records prior to commencement of the approved project. A copy of the first page of the recorded Administrative Decision must be submitted to the Planning Department prior to issuance of a building permit.
- 2) All developments shall be consistent with the enclosed site plan, unless modified by the following conditions of approval. If modified, the site plan shall be consistent with the conditions of approval. (See attached)
- 3) The height of the proposed carport addition shall be the same as or less than the existing shed.
- 4) All existing screening trees on the subject parcel shall be retained and maintained in a healthy condition. Dead and dying trees shall be replaced in kind.
- 5) Limbing or topping of existing screening trees is prohibited.
- 6) All trees shall be retained except as necessary for site development, safety purposes or as part of forest management practices.
- 7) All disturbed areas are to be reseeded with a native vegetation mix prior to final inspection by the Planning Department.
- 8) The project applicant and future owners shall be responsible for the proper maintenance and survival of any vegetation required to be planted.
- 9) Only that grading which is necessary for site development (building pad, access road) is permitted.
- 10) The exteriors of the proposed development shall be composed of non-reflective material or materials with low reflectivity.

- 11) The proposed carport addition is allowed to match the color of the existing structure and the proposed composite roofing material. The color is a dark brown trim and treated brown posts for the structure and dark brown composite for the roof.
- 12) If the applicant intends on using something other than the color of the existing stone steps, **dark** and either natural or earth-tone color samples of a non-reflective material or material of low reflectivity, shall be submitted to the Planning Department for approval, prior to issuance of a building permit.
- 13) Exterior lighting shall be directed downward and sited, hooded and shielded such that it is not highly visible from key viewing areas. Shielding and hooding materials shall be composed of non-reflective, opaque materials. Opaque means that it does not allow light to pass through the shield or hood. All lights should be hooded and shielded so as to have a luminary with less than a 90 degree cutoff.
- 14) The applicant shall meet all conditions to achieve visual subordination prior to final inspection by the Planning Department. The applicant should coordinate inspections with the Planning Department, as a building permit is not required for this project. A final inspection sign off will not be done until compliance with conditions, including visual subordination criteria, has been verified.
- 15) The Planning Department shall conduct at least one site visit during construction. It will be conducted after all foundation excavation has been completed but prior to the applicant framing up the footers. Each inspection may take up to four business days from the time of calling for the inspection. Inspections should be arranged by calling the Planning Department at 509-427-9458.
- 16) The following procedures shall be effected when cultural resources are discovered during construction activities:
 - a) Halt Construction. All construction activities within 100 feet of the discovered cultural resource shall cease. The cultural resources shall remain as found; further disturbance is prohibited.
 - b) Notification. The project applicant shall notify the Planning Department and the Gorge Commission within 24 hours of the discovery. If the cultural resources are prehistoric or otherwise associated with Native Americans, the project applicant shall also notify the Indian tribal governments within 24 hours.
 - c) Survey and Evaluations. The Gorge Commission shall arrange for the cultural resources survey.

Dated and Signed this 23rd day of May, 2003, at Stevenson, Washington.

NOTES

Any new residential development, related accessory structures such as garages or workshops, fences, and additions or alterations not included in this approved site plan, will require a new application and review.

As per SCC §22.06.050(C)(5), this Administrative Decision approving a proposed development action shall become void in two years if the development is not commenced within that period, or when the development action is discontinued for any reason for one continuous year or more.

APPEALS

This Administrative Decision shall be final unless reversed or modified on appeal. A written Notice of Appeal form must be filed by an interested person within 20 days from the date hereof. Appeals are to be made to the Skamania County Board of Adjustment, P.O. Box 790, Stevenson, WA 98648. Notice of Appeal forms are available at the Planning Department Office and must be accompanied by a \$500.00 nonrefundable filing fee.
