Respondents

Notice is hereby given that an action has been commenced in this Court upon a petition of the above named petitioner against the above named respondents, for the purpose of taking by condemnation the full fee simple title to the property therein described, subject, however, to existing public roads, public utility easements and rights-of-way; and further subject to outstanding water appropriations and rights-of-way for irrigation and drainage lines or canals thereon, and further subject to and excepting therefrom all rights to oil, gas and minerals lying in or under said premises, and for the purpose of determining a just and proper award and compensation for the property so described, which property is situated in Skamania and Klickitat Counties, State of Washington, and is described in the petition as follows:

A strip of land three hundred feet (300') in width, lying eight-seven and one half feet (87.58) southerly and two hundred twelve and one half feet (212.5') northerly measured at right angles from the survey line of the Bonneville-Coulee Circuit No. 1, as now located and staked on the ground, lying over, across and through each and all of the ownerships set forth in the declaration of taking; said survey line being more particularly described as follows:

Beginning at survey station 55 / 67.46, the point of intersection of the northeasterly line of the North Bonneville Substation Site and the center line of the Bonneville-Coulee Transmission Line, a point in the center of
