

such moneys were transferred to the Bond Reserve Fund from the Revenue Fund.

If the proceeds of any insurance shall be insufficient to repair or replace the property damaged or destroyed, the Trustee shall use and pay out for such purpose any moneys in the Revenue Fund, or any moneys remaining in the Maintenance and Improvement Fund and if the same shall be insufficient, moneys remaining in the Bond Reserve Fund, after reserving sufficient thereof to redeem all bonds theretofore called for redemption and for the payment of which no provision has been made and to pay interest becoming due on the bonds then outstanding hereunder on the next two (2) ensuing semi-annual interest payment dates, but only upon receipt by the Trustee of a written order or orders of the Company, signed and verified by its President or Treasurer and approved in writing by the Consulting Engineers. If in the opinion of the Consulting Engineers filed with the Trustee, the proceeds of any insurance together with any amount then available for that purpose in the Revenue Fund and in the Maintenance and Improvement Fund and the amounts available under the foregoing provisions from the Bond Reserve Fund, or otherwise, shall be insufficient fully to complete and pay for such repairs or replacements as the Consulting Engineers deem necessary for the continued use and operation of the Bridge; and if the Company shall fail to supply such deficiency from other sources within a period of six (6) months after receipt by the Trustee of such insurance moneys, or if the Company shall for any reason fail to commence such repairs or replacements within six (6) months after receipt by the Trustee of any such insurance moneys, or having commenced shall abandon or fail diligently to prosecute the same, then and in any such case such insurance moneys and all other moneys then held by the Trustee hereunder, and not theretofore appropriated to some other purpose, shall be applied to the redemption of bonds outstanding hereunder at the redemption prices provided in Article Three hereof. The Trustee may conclusively rely upon any approval, certificate or advice of the Consulting Engineers furnished as provided in this Section.
