

"The term '*Certificate of Gas Supply*' shall mean and include a Certificate of Available Gas Supply or a Certificate of Firm Gas Supply or both.

"Each Certificate of Available Gas Supply shall also state the volume of gas transported through the Company's pipe lines and used (including gas unaccounted for, but not including gas owned by others and transported for their account) during the 12 calendar months next preceding the date of determination of available gas supply specified in such Certificate. If the date of exhaustion of available gas supply shown therein is earlier than November 1, 1977 in the case of a 1975 Series Certificate of Available Gas Supply or is earlier than November 1, 1979 in the case of a 1977 Series Certificate of Available Gas Supply, such Certificate shall also state the total volume of the available gas supply, in the opinion of the signer, as at the date of determination thereof specified in such Certificate.

"Each Certificate of Firm Gas Supply shall also state the total volume of firm gas supply, in the opinion of the signer, as at the date of determination thereof specified in such Certificate, the volume of firm gas supply deliverable in each period of 12 months subsequent to the determination date and prior to November 1, 1975 in the case of a 1975 Series Certificate of Firm Gas Supply and prior to November 1, 1977 in the case of a 1977 Series Certificate of Firm Gas Supply, and the design capacity of the Company's pipe lines as they had been completed and placed in operation at said determination date.";

(ii) the figure "100,000" in the sixth paragraph thereof is changed to read "117,000";

(iii) the words "design capacity" are changed, in each case where such words appear in the seventh paragraph thereof, to read "designed operating capacity"; and

(iv) the following is added at the end of the eighth paragraph thereof:

" ; provided that, notwithstanding the foregoing provisions of this paragraph, the signer of any Certificate of Gas Supply may include as part of the Company's gas supply all gas which the Company has a contract right to purchase from any natural gas pipe line company operating under a certificate of public convenience and necessity issued by the Federal Power Commission."
