

are scheduled as determined in *Section 8* of this *Article 2* to be redeemed subsequent to the date such Certificate is filed and up to and including the second sinking fund redemption date for Bonds of the 1977 Series immediately preceding the terminal date shall be increased by an amount equal to the aggregate principal amount of Bonds of the 1977 Series which are scheduled to be redeemed on and after the sinking fund payment date immediately preceding the terminal date. The aggregate increase as so determined shall be allocated proportionately, as nearly as may be in multiples of \$1,000, to the principal amounts of Bonds of the 1977 Series scheduled to be redeemed on the respective sinking fund redemption dates which follow the date of filing such Certificate up to and including the second sinking fund redemption date for Bonds of the 1977 Series immediately preceding the terminal date. All Bonds of the 1977 Series not so subject to redemption shall be redeemed on the sinking fund redemption date for Bonds of the 1977 Series immediately preceding the terminal date at the principal amount thereof together with the accrued interest to the redemption date. Any such operation of the sinking fund for the Bonds of the 1977 Series (including the redemption of Bonds of the 1977 Series pursuant to the preceding sentence) shall be deemed for the purpose of this *Section 9* to be a revision of the schedule of sinking fund redemptions for the Bonds of the 1977 Series.

(c) If the 1977 Series Certificates of Gas Supply filed in any year after 1960 shall show that the date of exhaustion of available gas supply is a date earlier than November 1, 1979 or that the date of exhaustion of firm gas supply is a date earlier than November 1, 1977, and if the terminal date under such Certificate is earlier than the terminal date shown in the next preceding 1977 Series Certificate of Gas Supply used as the basis for revising the schedule of sinking fund redemptions, the schedule of sinking fund redemptions for Bonds of the 1977 Series shall again be revised in the manner provided in the applicable paragraph of *Subdivision (b)* above in this *Section 9*.

(d) If the 1977 Series Certificates of Gas Supply filed in any year after 1960 shall show that the date of exhaustion of available gas supply is a date earlier than November 1, 1979 or that the date of
