

pursuant to §4.02 toward the payment of the principal amount of the Bonds then outstanding and accrued interest thereon to the date of payment.

§5.22. Subject to delays resulting from disputes in good faith and to adverse claims of third parties, the Company will promptly pay its suppliers for all gas purchased by it in accordance with the provisions contained in any gas purchase contracts pledged or covenanted to be pledged hereunder and will comply with all other covenants and conditions on its part to be performed under the terms of such contracts.

§5.23. The Company will deliver to the Trustee, prior to March 1 in each calendar year, beginning with the year 1956, an Officers' Certificate stating whether or not, to the knowledge of the signers, the Company is in default in the performance of any covenant, agreement or condition contained in this Indenture and, if so, specifying each such default of which the signers may have knowledge.

§5.24. From time to time as gas in commercial quantities shall be produced from a well on lands subject to any lease or interest identified, described and tabulated in Exhibit D annexed hereto, the Company, by the delivery to the Trustee of appropriate instruments of conveyance, transfer or assignment, will subject to the lien of this Indenture that portion of the Company's interest in such lease or interest relating to such lands as is hereafter specified or such larger portion as the Company may elect to subject to the lien of this Indenture. At the time of the delivery to the Trustee of such instruments, the Company shall furnish the Trustee with an Opinion of Counsel to the effect that the portion of said lease or interest covered by such instruments has been duly subjected to the lien of this Indenture, or, upon the filing or recording of such instruments in the manner specified in said Opinion of Counsel, will become subject to the lien of this Indenture. For the purposes of this §5.24, gas shall be deemed to be produced in commercial quantities when, subsequent to a reasonable period for testing, such gas is utilized by the Company by transmission through its pipe lines for resale or is sold to others. For the purposes
