CERTIFICATE OF GRANT OF  
RIGHT-OF-WAY  
April 20, 1948

It appearing to the State Forest Board pursuant to Section 7797-85, Remington's Revised Statutes of Washington, that Application No. F-558 has been filed by the United States of America, Department of the Interior, acting by and through the Bonneville Power Administration (16 U.S. Code 832 et seq.), for a right of way for the construction and maintenance of a private road of access to its electric transmission lines through, over and across State Forest Board Lands hereinafter described; and

It further appearing that the applicant is constructing or proposing to construct, or has heretofore constructed, through over and across the land a private <sup>access</sup> road to its electric transmission lines for their maintenance and repair and that there is no standing timber on the land within the right-of-way and the Board being fully advised in accordance with Sections 7797-23, 7797-23A and 7797-85, Remington's Revised Statutes of Washington, it is therefore

ORDERED and DETERMINED: (1) that the appraised value of the State Forest Board Land within the right-of-way be and the same is hereby fixed at TEN and NO/100 DOLLARS (\$10.00); (2) that said sum has been paid; (3) that the United States of America has obtained the right, power, privilege and authority to construct and maintain an access road to its electric transmission line through, over and across the land hereinafter described, together with the right to cut and remove all standing timber on the land within said right-of-way by complying with Section 7797-85, Remington's Revised Statutes of Washington; (4) that the land within the right-of-way applied for is described as follows:
