

in the aggregate materially reduce the efficiency of the Pipe Line System or reduce the operating capacity of the Pipe Line System (i) to less than 343,000 MCF of natural gas per day at 14.73 pounds per square inch absolute after the initial stage of pipe line development shall have been completed or (ii) to less than a maximum of 644,500 MCF of natural gas per day at 14.73 pounds per square inch absolute (including capacity for the handling of 303,000 MCF per day of Canadian gas when such gas shall be available for delivery to the Company at the Northern Terminus of the Pipe Line System), deliverable at points on the Pipe Line System and in quantities complying with the requirements of the gas sales and transportation contracts then in effect, after the second stage of pipe line development shall have been completed."

(d) The definition of the term "*Pipe Line System*" is amended to read as follows:

"The term '*Pipe Line System*' shall mean the pipe lines, processing and treating plants, leaseholds, wells and the properties appurtenant thereto proposed to be acquired, constructed and developed by the Company which constitute the project authorized by the Federal Power Commission in its Order dated June 18, 1954 in Docket No. G-1429, as amended, supplemented and expanded by its Order dated November 25, 1955 in Docket No. G-8932 et al. granting Certificates of Public Convenience and Necessity to the Company (or as further modified, amended or supplemented by any orders of the Federal Power Commission entered prior to the time in question granting to the Company a further Certificate or Certificates of Public Convenience and Necessity authorizing only permitted changes) including, but not by way of limitation, the pipe lines, processing and treating plants, leaseholds, wells and properties appurtenant thereto described in *Granting Clause First* of the Indenture as originally executed, other than paragraphs I, II, III and IV of *Subdivision B* thereof, or described in the First Supplemental Indenture, the Second Supplemental Indenture or the Third Supplemental Indenture."

(e) A new definition is inserted after the definition of "*second stage property additions*" reading as follows:

"*Second Supplemental Indenture*:

"The term '*Second Supplemental Indenture*' shall mean the Second Supplemental Indenture, dated as of July 1, 1956, between the Company and the Trustees, supplemental to this Indenture."
