

the authentication and delivery of bonds is requested, if and to the extent that the matters required to be shown thereby are adequately covered by similar instruments and/or other evidence already on file with the Corporate Trustee. The Company may furnish resolutions, certificates and/or opinions supplementary to those originally filed with respect to any bondable additions or other matters certified to the Corporate Trustee for the purpose of evidencing subsequent changes in respect thereof or in the availability thereof as a basis for the issue of bonds or for other purposes hereunder or to correct any errors in any such resolutions, certificates or opinions theretofore filed.

**SECTION 4.03. *Authentication and Delivery of Bonds on Basis of Bondable Additions.*** Bonds shall be authenticated and delivered by the Corporate Trustee from time to time (but only upon compliance with Section 4.02) in an aggregate principal amount equal

(1) in case of bondable additions (other than gas production property) certified to the Corporate Trustee as hereinafter in this Section provided, to 66 $\frac{2}{3}$ % of the cost of such bondable additions or (except in the case of retired property) the fair value thereof to the Company if less than cost (in each case after making any deductions required by the provisions of Section 1.10), provided that such bondable additions shall not have theretofore been made the basis of the authentication and delivery of bonds or the withdrawal of cash (other than cash representing moneys received by or paid over to the Corporate Trustee under the provisions of Section 9.04, Section 9.06 or Section 9.10 on account of or with respect to shares of stock or other securities of controlled corporations pledged hereunder or received by the Corporate Trustee in connection with the release pursuant to the provisions of Section 8.03A of any such securities of controlled corporations which are no longer held by the Company) pursuant to Section 4.06 or Section 8.12 or the release of property as provided in the second paragraph of Section 8.03, and provided further that such bondable additions shall not have been constructed or acquired with the proceeds of insurance on the mortgaged property or any part thereof, and

(2) in case of bondable additions consisting of gas production property, to 66 $\frac{2}{3}$ % of the bondable value of gas production
