

with the proceeds of insurance on the mortgaged property or any part thereof;

(4) that, except as to property which shall have been retired, the bondable additions described in such certificate (or, in the case of property located on proven gas acreage subject to a unitization or communitization agreement, the Company's interest therein) are subject or will be subjected to the lien of this Indenture and that none thereof is subject to any liens or encumbrances other than permitted encumbrances;

(5) if any stock or other securities shall have been issued or delivered in payment or part payment for any bondable additions described in such certificate, a statement of the nature of such stock or other securities and of the fair value thereof at the time of their issue or delivery; and, if any other property shall have been conveyed or delivered by the Company in full or partial payment or exchange for any such bondable additions, a statement of the nature of such property and the fair value thereof at the time of such conveyance or delivery;

(6) whether the bondable additions (other than gas production property and retired property) described in said certificate include property which, within six months prior to the date of acquisition thereof by the Company, has been used or operated by a person or persons other than the Company in a business similar to that in which it has been or is to be used or operated by the Company, and, if so, the fair value thereof to the Company;

(7) the statements required by the next to last paragraph of Section 1.10; and

(8) unless a certificate of the Company containing such statement shall have previously been filed pursuant to this Section or pursuant to paragraph I or paragraph II of Section 8.12, also stating that the Company has acquired or constructed and charged to its fixed property accounts after December 31, 1945 the property excluded from bondable additions by clauses (a) and (b) of Section 1.09.

(b) A certificate signed by an engineer stating that he has examined the certificate of the Company provided for in subdivision (a) of this Section and that in his opinion
